WILL PUBLISH DAILY ON THE A-Y-P GROUNDS

SAN FRANCISCO, CAL., Dec. 5.—8.

H. Stevens, publisher of the Daily Gold Digger, of Nome Alaska, today announced that he had received notice from the managers of the Alaska-Yukon Pacific exposition granting the concession to publish a daily paper on the fair grounds.

"I hadn't been out of Alaska for ten years, so I came down in October," said Stevens. "I had an idea it would be a good thing to have an official paper run by a man that knows the Alaskan empire. I tackled Captain Lewis, chief of concessions, and here's the telegram.

"My plan is to get out a seven-column, eight-page daily paper, full of daily telegraphic news from all the mining camps in Alaska, make it a clearing house for mining news. Then to feature the happenings on the fair grounds each day. I figure that at least 25,000 people will come down from Alaska to the fair. J. J. McGrath of the Seattle Post-Intelligencer will be associated with me. He is an old Alaskan newspaper man and was formerly on the Nugget.

"I was surprised to see the size of the buildings and the progress that is being made on the fair grounds.

"We'll have our plant right on the grounds and I have enough advertising in sight to insure financial success."

HIDDEN DANGERS.

Nature Gives Timely Warnings That No Medford Citizen Can Afford to Ignore.

DANGER SIGNAL No. 1 comes from the kidney secretions. They will warn you when the kidneys are sick. Well kidneys excrete a clear, amber fluid. Sick kidneys send out a thin, pale and foamy, or a thick, red, ill-smelling urine, full of sediment and irregular of passage.

DANGER SIGNAL No. 2 comes from the back. Back pains, dull and heavy, or sharp and acute, tell you of sick kidneys and warn you of the approach of dropsy, diabetes and Bright's disease. Doan's Kidney Pills cure sick kidneys and cure them permanently. Here's Medford proof:

Mrs. J. H. Boussum, living corner of Twelfth and O streets, Medford, Or., says: "I suffered so severely from kidney trouble that I was unable to do any household work. My kidneys were very irregular and caused me much annoyance. My back pained me severely when stopping or lifting and sharp twinges were often present in my loins. I ran down in health and at times felt very miserable. Doan's Kidney Pills were brought to my attention and I procured a box at Haskins' drug store. They helped me from the first, so I continued taking them and was entirely cured. I have recommended Doan's Kidney Pills to other sufferers."

PRICELESS RELICS FROM FRANCE SEIZED BY OFFICERS

CHICAGO, Dec. 5.—Priceless relics from the monasteries of France, believed by connoisseurs to be several centuries old, are awaiting a shipment today in the United States customs warehouse here. Secret service agents have been at work for many days endeavoring to find the owner of the precious art works and fabrics and intimate that those who tried to bring the treasures into the country have fled. The federal officials believe that in holding up the goods they have unearthed a plot to smuggle antiques into the United States. The collection contains tapestries, paintings, handworked goods, rugs and linens.
