Medford Theater Tonight.

Mr. Edmund Carroll, leading man for three seasons with Mr. Walker White, is to be seen at the Medford Theater tonight, starring in "We Are King," a comedy in three acts by Lieutenant Gordon Kean, author of "The Magic Melody," is one of the few actors who possess a delightfully flexible and resonant voice, and uses it to the best advantage at all times, which, coupled with his easy presence and magnetism, causes him to be favored by the audience almost upon his first appearance. The dual role of Hector, king of Kahuburg, and Gustavus Venger, a wanderer and adventurer, afford Mr. Carroll every opportunity to display his capability and the easiness with which he effects the transformation from one to the other of directly contrasting natures simply proves that he is gifted with great versatility and ability.
