HOME IN PRISON FOR THE WINTER SEASON

DUNSMUIR, Cal., Dec. 12.—Jerry Galvin blew into town from nobody knows where, and straightway proceeded to take the law into his own hands. After thrashing everyone in reach and driving the others indoors with his profanity, several able-bodied citizens overpowered him and treated him to a night in the local bastille. This morning, when Judge Clark allotted him to quarters in Sheriff Howard's Yreka hotel for 30 days, Jerry smiled and said: "Well, the worst of the winter will be over by that time."

NEW PRESIDENT ALREADY STIRRING UP TROUBLE

HELENA, Mont., Dec. 12.—Dr. C. A. Duniway, formerly of Portland, who recently left the faculty of Stanford university to become president of the state university at Missoula, has already begun to stir up educational matters in his new home. He threw a bomb into the meeting of the state board of education by declaring that all state institutions should be located in the same city.

These several institutions are situated in so many different cities and he pointed out the great advantage that would accrue from their consolidation, and not only from a financial standpoint but also in the matter of avoiding duplications in the course of study, which it is difficult to avoid under the present system.

The Valley Auto Company will open their new garage and repair shop December 10, back of the Moore hotel. Motor cars stored and taken care of. All work guaranteed.
