

Santa Claus is Running this Store

Good old jovial St. Nick has favored us by making this store his distributing center of Christmas cheer and gifts. His genial spirit pervades the whole atmosphere and the new things from Christmas land are beaming and teeming and glistening and gleaming everywhere one turns.

Everybody's young at Christmas time—so we might sum up this gorgeous showing by saying it embraces "everything for young folks," but we will be more explicit and say, everything for folks for all ages—from those with silvery hair and spectacles (but young hearts) to those who are about to celebrate their first Christmas.

Come in and See What He has to Offer

Santa Claus has forgotten no one. And there were never so many or such beautiful gifts before. You needn't go one step further than this store to check most of the names off your gift list. Think how convenient that is!

And you can't choose anything that isn't thoroughly worthy, because everything that's here is the very best of its kind. There's another advantage.

And to top it all—you can't find any other store where your gift money will go further or buy more—if as far or as much.

But you shall see. Come early—and often. Feel free to look and enjoy everything whether you buy or not. If we can save you money we want your business.

STORE WILL BE OPEN EVERY EVENING UNTIL FRIDAY
