Friday, July 16 to Be Set Rogue River Fruit Grow-Aside at Exposition as Special Day For This **City-Invitation** Extended

Friday, July 16, has been set aside by the authorities of the Alanka Yukon Pacific exposition as "Medford day." and Josiah Collins, chairman of the committee on ceremonies, has issued an lays down stringent rules in regard t invitation through the mayor of Medford for the Medford citizeus to be present upon that day. In his letter to Mayor Canon Mr. Collins says:

"On behalf of the Alaska-Yukor Pacific exposition, I desire to extend to your citizens, through you, an invitation to visit the fair, and trust that we may not be disappointed in assum ing that we may have your hearty co operation in arranging a program for : special day to be set uside as "Medford day.

"The date of this day has been es tablished as Friday, July 16. "I shall be pleased to hear from y

so that should the suggestion meet with your approval, the committee, which you will doubtless appoint, can at once take up with my committee all details covering ceremonics and entertainment of your citizens on this occasion and the securing of such excursion rates as will insure a large visitation from your eity

erry, ¹¹ Assuring you that every effort will be made to make 'Medford day' one of the features of the exposition, I am, ¹⁴ JOSIAH COLLINS, Chairman,¹⁵

GIVES \$200 A MONTH TO CLUB

Portland Institutions Make Large Contributions Toward Advertising Oregon

PORTLAND, Or., Feb. 1 .- As an ev dence that Portland people are more and more interested in the advancement of more interested in the Oregon, the First National bank an Ladd & Tilton have each notified the Oregon Development league that their seriptions for the year 1909 would \$200 per month instead of \$100 as in former years. This same sum is sul scribed by the Portland Railway, Light & Power company, while the United States National bank has advanced from \$50 to \$100 per month. These

The Rogue River Fruitgrowers' as fation at a meeting held on Saturday adopted resolutions spainst the passag congress of the Porter bill, which the standardizing of packages and th grading and marketing of apples.

Medford

Especial attention is called to that ation of the Porter bill pertaining to grading, which reads as follows: "No 1 grade and quality shall consist. of healthy, well grown apples of one va-ticty, sound, of not less than 21.2 inches in dinmeter and of good color for the earlety; or normal chape and not less than b0 per cent free from scab, worr

ioles, bruises and other defects, and imperly packed." The apple growing districts of the northwest declare they have always packed perfect apples less than 2+2inches in diameter into 4+2 and 5-for actes in transformed them No. 1 or fam-y frait. The provisions of this pro-oned bill will eliminate the 112 and the provision of the families of the familie tier famey apples entirely from the hipments of the northwest, and class i as No. 2 fruit instead o these sizes as No. 2 truit unstant of faney at No. 1 grade. This will affect at least 35 per cent of the faney apple output of the online northwest, and throw it into the second grade class.

which means an enormous loss to appl

GROUND HOG CLOSE ROGUE MAY PUT OFF ers Association Adopts **Resolutions Against The** OUT TUESDAY 9 MONTHS COSS CASE **Proposed Law**

Tomorrow is the Day that Only Three Months in District Attorney Mulkey Marks Turning Point Between Winter and Spring

lowed in Rogue River Tomorrow, Tuesday, is Candlema lay, or groundhog day, as it is mor

generally known. It is the day that i upposed to mark the turning point be ween winter and spring, but whethe pring comes or winter stays longer decials on surchive and shadow and the ittle groundhog. At least, so say the dd time prophets, and while the experts of the weather bureau and the agricul uarl department suff at suche phople ics as being groundless superstititions

ic groundling will not lack millions of ties tomorrow. For is it not writ a in the old jingly:

As the me the sun shines out on Can diemas day, As fur as the enour blows in on Can-

dlemas day, will the sun shine out before May.

It all depends upon the weither on her day and the little groundlog as a what the weather for the next six coles will be. The groundhog, if when e emerges from his winter hibernat-

place, chances to his his shudow. he will beat a barry retreat in his lit-te hole and wait for fairer weather. cine that a meterological chance is But if it is dark and gloomy when merges and he sees no shadow the and will figure that winter b dmost gone and that above ground líe ola ie for him: Him the habit

he groundhog that gave this feature of he grounding that gave this teacher of custom otherwise to different. It is from Eugland, Germany and isotland, though, that the groundhog my enstom comes. There the day is ed as one of celebration in son

arts, but mostly a day for weather stientions. Many of the rhymet one hears about the day are from English and the Seatch. In Seaton this day it is a custom for the hildren to bring presents to the teach-us. Each tries to rival the other in that give the most costly ones are of as king and queen. School is ited as king and queen. School is a dismissed and the children march
