### ATTACKS SIX WOMEN WITH A LARGE AWL

BERLIN, Feb. 18.—A series of six attacks upon women and girls has set the southeastern and eastern districts of Berlin in a state of panic. Three women were attacked Tuesday evening by a man who used a sharp instrument believed to be a large awl. One of his victims died to death and the others were badly wounded. Wednesday there were two similar assaults on girls. This afternoon in the vicinity of Liehtenberg another girl was attacked in the same manner, but she warded off the weapon with her hand, which was severely cut. Her cries of alarm brought an excited crowd, members of which suspecting that the criminal had taken refuge in a neighboring house searched it from cellar to garret. Their efforts to find the stabber were unsuccessful. A dozen men were arrested, but all were released on establishing alibis. This evening an armed youth about 20 years old was arrested. Two of the victims of the stabber said they recognized him as their assailant and he was detained.

### BIG BALLOON MAKES A LONG JOURNEY

PORTLAND, Me., Feb. 18.—The longest journey ever made by a balloon from a New England point was completed tonight when the big Pommern, carrying six passengers, came to earth in the town of Standish, close to Lake Sebago, about 7:30 o'clock after a flight of approximately 175 miles in an air line from North Adams, Mass. The Pommern is the balloon that won the international race from St. Louis in 1907, when it carried Oscar Ekstrand of Germany and H. H. Clayton of Boston close to the Atlantic coast at New Jersey.

### "UNCLE TOM'S CABIN" GOOD AT THE PRICE

The Stinson company's portrayal of "Uncle Tom's Cabin" at the Medford Wednesday evening was attended by many local people, who were pleased for the most part. The players had their parts well in hand. The parts of Uncle Tom and Topsy were especially meritorious. Special features of dancing and singing between acts were clever and called for encore. The company, playing for the special prices, 25c, 35c and 50c, deserved and satisfied the large audience present to witness the performance.

### POLICEMAN DRAWS GUN AND IT KILLS A MAN

NEW YORK, Feb. 18.—A revolver dropped accidentally from the holster of a policeman in the West One Hundredth street police station last night struck the cement floor and was discharged. The bullet entered the abdomen of George Caines, a bookbinder, who was standing near, inflicting injuries from which he died, after being taken to a hospital. The owner of the revolver, Bernard J. O'Connor was arrested on a technical charge of homicide.

### NEW YORK CITY PLANS \$10,000,000 BOND ISSUE

NEW YORK, Feb. 18.—Preparations are now being made in the city controller's office to issue \$10,000,000 more in city bonds. No details of the issue have been announced, but it is understood they will bear 4 per cent interest. The proceeds will be used for a variety of purposes in connection with the city's government. The bonds of the city of New York are now selling at between 93.85 and 93.90, as compared with about 93.75 for issues of other cities of the first class.

### CHEYENNE, Wyo., Feb. 18.—The United Smelters Railway and Copper company of Wyoming established at more than \$12,000,000 has purchased all the property in Carbon county, Wyoming, owned by the Pennsylvania-Wyoming Copper company, including the Ferris-Haggerty copper mine, smelting works, power plants, etc. The total cost was about \$10,000,000.

### 2000 CLIPPINGS FOR ROOSEVELT'S PERUSAL

CHICAGO, Feb. 18.—President Roosevelt soon is to receive 2000 page clippings on the world-wide of the United States fleet. These, which fill two volumes, 4 by 11 inches, are the gift of a Chicago admirer, who does not want his name used. More than a year ago this admirer instructed a clipping man to go to this city to gather all editorial comments on the fleet. The books are handsomely bound in black morocco.

### AS IT HAPPENED

On the third day of the honeymoon as observed, "Some said it was certainly Sartles, and some said it was Sir Herbert, but nobody said it was me. Yet I was chosen and they were rejected. Why?" "You don't want to know, and I don't want to tell you." "But I do want to know. You didn't care for me in the least. I have no illusions about myself. I am not nearly so good looking as Sartles, who certainly proposed to you at the Garstin-Venn's dance. Neither am I nearly so wealthy as that amiable and elderly knight, Sir Herbert, who unquestionably spoke to your father on the subject." "That was just the reason why I married you." "What? Because I was plainer than Sartles and poorer than Sir Herbert?" "The same thing, but put rather differently. You were much better looking than Sir Herbert and much richer than Sartles. You're quite right about the Garstin-Venn's dance. Mr. Sartles did propose then, and I did not refuse him—not at the moment." "Do I not know it? Was not his face transfigured?" "He was terrifically handsome." She shrugged her shoulders. "What idiots girls are! I'm utterly tired of that Greek god business now. I think a man who is as handsome as all that always looks a little vulgar or even effeminate, which is worse. Mr. Sartles looked both; but, being a girl, I was also an idiot, and I did not refuse him. But I did not accept him either. I postponed—I spoke to papa."

### MUD ON N. P. TRACKS DERAILS B. C. EXPRESS

SEATTLE, Wash., Feb. 18.—Mud washed upon the tracks of the North Pacific at the city limits wrecked the engine and tender of the Vancouver express, northbound, at 11 o'clock this morning. Engineer W. E. Farmer and Fireman Charles Carlson jumped when the locomotive turned on its side. The former strained his right shoulder and broke his right thumb. The passengers escaped injury.

### TACOMA COPS THINK THEY HAVE COUNTERFEITERS

TACOMA, Wash., Feb. 18.—In the arrest today of T. A. Cook, Earl Jeffries, Lottie Jeffries and Pauline Cook, who recently arrived in the city from San Francisco, detectives believe they have the quartet that flooded the Pacific coast cities with counterfeit coins from San Francisco to Puget sound. Spurious \$5 and \$10 gold pieces were found in their possession. Secret service men and the treasury department have been looking for the counterfeiters for several weeks.

### HE ACCUSED SARTLES WAS NOT HE, ELSE THAT HE COULD HAVE DONE

She leaned back in the easy chair (cuddling type, common to riverside lums that play at being hotels) and clasped her hands at the back of her head. "I'm so—so happy!" she murmured ecstatically.—Black and White.

### IN A HURRY

A man applied at the marriage bureau the other day for a license. He was alone, and the clerk asked him where his prospective wife was. "Why, I don't know, sir," he replied, in evident surprise. "We can't give you a license unless she comes here with you and signs the books," was the reply. "Well," he explained, "I don't see how I'm going to bring her. I ain't decided which one it's going to be yet." And he went away crestfallen.—New York Post.

### RESOLUTION

A resolution changing the name South Walnut street back to its original name (Tripp street) as at present recorded on the county records: Be it Resolved, By the city council of the city of Medford, Oregon, the mayor concurring, that the name of the street located in East Medford and now known as South Walnut be and is hereby renamed its original name—Tripp street—as it stands of record at the county seat, when said street was dedicated to the city of Medford, Oregon, and placed on file with the county recorder.

The foregoing resolution was passed by the city council of the city of Medford, Oregon, this 16th day of February, 1909, by the following vote, to-wit: Walsh, aye; Merrick, aye; Emerick, aye; Hartman, aye; Eifert, aye, and Demmer, aye.

Approved February 16, 1909.

W. H. CANNON, Mayor.

BENJ. M. COLLINS, Recorder.

Prepaid Railroad Orders.

"Something which is of considerable interest to the public generally and which is perhaps not generally known is the system of prepaid orders now in effect between stations of the Southern Pacific company and all points in the United States. By means of this system tickets may be purchased at Medford from any place in the United States and mailed or telegraphed direct to the party wishing to come here. Sleeper accommodations and small amounts of cash in connection with these tickets may also be forwarded at the same time."

She gave a sigh of relief. "I'm rather glad it was the same for the both of us," she said, "because that means it wasn't different for either, doesn't it?"
