\*\*\*\*\* AMUSEMENTS \*\*\*\*\* At the Savoy. An entertainment of great merit is being given at the Savoy picture palace. Such pictures as "The Parson," "Your Enemy's Scrap Book," and "The Faithful Dog," are all headliners, being the best and best films on the market today. The pictures take you back to your childhood days and make you think of the best things in your past life, give you many a shak, in your laughter zone and hold your attention from the start of the performance until the finish. You should not fail to attend the Savoy tonight. Admission free. "THE BURGOMASTER" NOT AS GOOD AS LAST YEAR. "The Burgomaster" at the Medford Wednesday evening was not nearly as good as last year, when it was presented in this city. But, although the third act was greatly bettered in order to reach the final curtain hurriedly, the audience was satisfied. Clever work on the part of the players overbalanced that which was poor, and as a whole the performance was worth seeing. Dainty Ruth White was a witty and debonair as ever, but somehow lacked the spurt of enthusiasm that won her fame last year. She seemed worn out and was not by any means at her best. Harry Hermsen as Peter Stuyvesant was the bright particular star of an otherwise mediocre evening. With the assistance of Duffie, his secretary, he kept the house in an uproar. The chorus has been well trained and showed more snap and ginger than did any of the principals. Lack of a tenor dulled their singing of much of its pleasure. Etta Lockhart and Marie Grandpre were pleasing in their semi-important places. The house orchestra handled the music, and in such a manner as to leave no doubt of their ability. "Well, I had a pleasant evening," remarked the constant theatergoer. And that is what we want for. Advises Paved Streets. George R. Lindley, member of the Jackson County Bank of Medford, and who is a stockholder in the First National Bank of this city, says the Klamath Herald, is here for a few days. Mr. Lindley is a live man from a live town and his advice is worthy of consideration. He says: "You have a fine town here and I can see its growth since my last visit. If you want your town to continue to grow, you must pave your streets. It is the greatest advertisement a town can have. It will double the retail business in your streets. It will encourage the people especially the ladies, to come to town every day to trade. You need a good sewer system and paved streets. It will double the value of your property." TO THE PUBLIC. Please Take Notice. There has been numerous complaints made to me from people living in most parts of the city about their neighbors' fowls destroying or damaging gardens, etc., and I wish to call every body's attention also our fowls in the city limits that there is an ordinance, No. 49, passed March 3, 1909, which provides that fowls shall be kept up and not allowed to run at large, any more than horses or cattle. The penalty for the violation of this ordinance is a minimum fine of two dollars (\$2.00) and the maximum fine of five dollars (\$5.00). Read this notice and thereby save your self and your neighbors trouble. H. O. SHEARER, Chief of Police. 307. FRUIT TREES. I am prepared to fill orders for first class fruit trees, shrubs, palms, etc., at lowest prices. Have on hand 500 Buere Rose pear trees, 4 to 6 feet. Ask at "Shibui" building. R. P. ALLEN.
