DUFUR, Ore., March 12.—Smoke issuing from a fissure near the top of Mount Hood was plainly visible yesterday. #### KEEP THE KIDNEYS WELL.

Health Is Worth Saving, and Some Medford People Know How to Save It.

Many Medford people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. Here is a Medford citizen's recommendation:

A. Z. Sours, Fifth and H streets, Medford, Ore., says: "I have used Doan's Kidney Pills and am glad to say that the results were most gratifying. I suffered for a long time from pains in my back and found it difficult to stoop. The kidney secretions were too frequent and annoyed me greatly during the night. Doan's Kidney Pills were so highly recommended that I procured a box at Haskins' drug store. I had only taken them a short time when I found that they were the remedy I required. I continued, my general health improved and I felt better in every way. I take pleasure in recommending Doan's Kidney Pills to others."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
