ESMERALDA COUNTY WINS BRYAN'S PRIZE MEDAL
LINCOLN, Neb., April 12.—William J. Bryan's prize mule goes to

Esmeralda county, Nevada, because it made the best showing, from a democratic standpoint, in the recent election, registering a democratic gain of 94 per cent.

The mule, which Esmeralda county may not know what to do with, was presented to Mr. Bryan by Minnesota admirers.

PUPILS WILL HAVE WORK AT THE FAIR

Will Write Articles Having to Do With Various Resources of the Valley.

Pupils of the Medford schools will start work at once on the work of preparing a school exhibit for the Alaska-Yukon-Pacific exposition in Seattle this summer. Superintendent Smith has put the matter under way and will take the necessary steps towards collecting a large and creditable exhibit of the various schools in Medford. It is believed possible to win for the local schools the first place in the contest or a place somewhere near the top.

The pupils of the schools will be asked to write different articles regarding the resources of the valley. These articles will deal with the coal mines, the oil fields, Crater Lake, fruit growing, in timber, in fact everything that has to do with busy Medford and the surrounding country.

Then, exhibits all along all the various lines of school work will be prepared and the whole will be exhibited with the work of other schools in Oregon and of other states at the fair.

Superintendent Robinson, of the Multnomah county schools was in the city at the first of the week and took the matter up with Superintendent Smith, who at once went to work on the matter.

Christian Church News.

The W. C. T. U. and L. T. L. will give an entertainment at the Tabernacle Tuesday evening at the Tabernacle. This will be good.

ROGUE RIVER VALLEY

CARLTON NURSERY CO., Carlton, Ore.

A timely word to contemplated fruit planters: We all know of the great demand and shortage of fruit trees the past season, not enough to go around. Mr. Planter, if you want fruit trees, get in touch with us now, place your orders for fall 1909. We predict great demand and high prices for year 1909. However, we took a peep into the future and are well supplied to handle large commercial orders, are heavy on pears, apples, peaches, walnuts. If you have any special sort you want grafted to order, send in your choice of grafts and we will grow you a first-class tree at right prices.

Though the commercial bodies of the coast were disappointed that the Chicago school children did not accept the invitation tendered them through the Chicago Association of Commerce, the invitation has borne

fruit, and from June 2 to June 19 a large party of Chicago business men will come to the Pacific northwest under the auspices of the association, including various Oregon points in their itinerary.
