MANY VITIMS OF CIRCUS SHARPERS

Short-Change Artists Fleece People
Who Purchase Reserved
Seats.

Police Say It Was the Toughest
"Bunch" They Ever
Encountered.

The Sacramento Union says: The police state that the men employed by the Norris & Rowe circus are the hardest lot that they have had to deal with for many moons, and at the circus grounds last evening Officers Siddons and McManus were kept busy quelling fights between circus employes and outsiders and straightening out squabbles between the ticket sellers and citizens who had been short-changed. The most flagrant case of short-changing occurred at the reserved seats section, when a citizen was swindled out of \$50 by one of the employes, and to avoid any trouble the management of the show refunded the money to the victim of the sharper.

A citizen asked for a reserved seat from a man named Nelson, who was selling the seats, and was told that if he had a \$5 or \$10 piece he would be given two reserved seats for a quarter, the ticket seller explaining that he had a pocket full of silver that he wished to get rid of. The purchaser tendered a \$5 piece, and the ticket seller said: "Oh, never mind, I will keep the silver," and pushed back to the purchaser a nickel. This occurrence was immediately reported to the police, and Officers McManus and Siddons threatened to arrest the ticket seller unless the matter was straightened out. The management of the show agreed to do this, and the incident was closed.

Over 25 people reported to the police that they had been short-changed, but rather than make a fuss allowed the matter to drop.

Yesterday afternoon an attachment was served upon the circus by Constable Haggerty at the instance of Justice Clarken, in whose court an action was filed by A. J. Madsen on behalf of 30 employes of the show. The men claim that the Norris & Rowe people owe them for back salary to the amount of \$200. A bond was filed by the Norris & Rowe company, and they state that they will fight the men in court, as the claim is not a just one.

Late last night three employes of the circus applied to the police, stating that they had been discharged and had received no wages. The circus was on the cars and under way when the complaint was made, and the discharged men left for Oroville, where the circus next shows, vowing that they would file an attachment in the Butte county town.

Early in the evening Detective Kripp and Sergeant Koenig closed down one of the side shows, which was advertising as a Salome dance, but was nothing more than the "hootehy kootchy." Chief Sullivan investigated the dance, and seeing that it was not fit for women and children to witness, ordered it closed.

Gambling games, which were conducted in some of the side shows, were also closed down, as those running them violated their word with Chief Sullivan, who allowed them to run some games, but as soon as the games were started "brace games" were introduced, which the officers promptly closed down.

TOTAL SNOWFALL IN DENVER OVER NINE FEET

DENVER, Col., April 20.—Two and one-half inches of snow fell in Denver yesterday and last night. This was the 44th day on which snow has fallen in Denver since the cold weather commenced and brings the total snowfall of the winter in this city to nine feet, seven and one-half inches, the heaviest recorded in 25 years. Snow has fallen on five of the 11 days of April, the total fall for that period being more than 22 inches.

But it wasn't a circumstance compared to the fun those young ladies will have as the guests of The Tribune at the A-Y-P exposition.
