

Small Orchards

Bearing and Young Groves on Easy Terms

We have subdivided into small tracts the famous Gold Range Orchard, two miles south of Medford, adjoining the Bear Creek and Burrell orchards, and now offer a limited number of the choicest orchard tracts for sale on reasonable terms.

This is your opportunity to secure bearing orchard, or young orchard, or both bearing and young orchard, consisting of the choicest varieties of pears and apples. The tracts range in size from five to 27 acres. The soil is the best in the valley—Bear creek bottom land. The old trees on these tracts have produced record breaking crops that brought record prices in eastern markets for years past.

No such chance was ever offered before to secure such orchard tracts.

WILEY PIANO HOUSE HAS LOCAL BRANCH

Has Purchased the Business of the Hale Piano House and Will Handle Business Here.

The Wiley B. Allen piano house, one of the largest musical firms in the United States with branches in all western cities, has purchased the Hale piano house, which for the past three years has dominated the musical instrument business in the local field. Coming here several years ago, Mr. Hale, who will remain with the house as local manager, built up a successful business with branches in other southern Oregon towns. This business will be greatly increased through the enlarged stock, superior facilities and well known reputation for stability and integrity of the purchasers.

The deal was closed by L. F. Boyd of San Francisco, manager of branch houses for Wiley B. Allen. Mr. Boyd has had his eye upon Medford for some time, and was anxious to establish a branch in the most prosperous of Oregon towns. He is a veteran in the piano business and one of the best known musical instrument experts in the business, combining rare business qualifications with a thorough knowledge of music and the instruments that make the sweetest of melody.

A much larger stock of pianos, including many famous makes, will be carried in stock, and the people of southern Oregon now have the chance to secure the best makes in the world at city prices.

Prepaid Railroad Orders.

"Something which is of considerable interest to the public generally and which is perhaps not generally known is the system of prepaid orders now in effect between stations of the Southern Pacific company and all points in the United States. By means of this system tickets may be purchased at Medford from any place in the United States and mailed or telegraphed direct to the party wishing to come here. Sleeper accommodations and small amounts of cash in connection with these tickets may also be forwarded at the same time."

A Good Friend in Time of Need.

No one can have a better friend when troubled with colic or diarrhea than Chamberlain's Colic, Cholera and Diarrhoea Remedy. It always cures. For sale by Leon B. Haskins' Pharmacy.

You can double your money in a month. There are only three lots for sale at the P. & E. junction. They will be worth double the minute building operations are resumed. That is as certain as the timber is in the hills. It will take many factories years to use all the lumber that is brought down. These factories will be located at the junction. Several hundred workmen will have to live near by. A boarding house will pay big when the factories are started. Then these lots will be worth two or three times what we ask. Remember there are only three of them for sale, so you will miss it if you don't hurry. Only \$200 each. Also two houses for sale, dirt cheap. See Eastman at P. & E. Junction.

FOR SALE.

For Phoenix town property, both improved and unimproved and three good orchards, see Matt Calhoun, Phoenix, Jackson county, Oregon.
