

Small Orchards

Bearing and Young Groves on Easy Terms

We have subdivided into small tracts the famous Gold Range Orchard, two miles south of Medford, adjoining the Bear Creek and Burrell orchards, and now offer a limited number of the choicest orchard tracts for sale on reasonable terms.

This is your opportunity to secure bearing orchard, or young orchard, or both bearing and young orchard, consisting of the choicest varieties of pears and apples. The tracts range in size from five to 27 acres. The soil is the best in the valley—Bear creek bottom land. The old trees on these tracts have produced record breaking crops that brought record prices in eastern markets for years past.

No such chance was ever offered before to secure such orchard tracts.

PHOENIX MARSHAL IS EARNING PAY

Arrests Gander and Locks Same Up
in City Bastile—No Strays
Tolerated.

Phoenix, the busy, bustling Phoenix. Just incorporated and spreading her importance to the world with a brand new mayor and full deck of aldermen, is certainly up-to-date and the way the new recorder is fixing up ordinances is a lesson to towns of the silurian order. Moreover, the city marshal is a live one, and onto his job. The ordinance forbidding cows, hogs, geese and other predatory animals from parading the thoroughfares of Phoenix are strictly enforced. An alarm was turned into headquarters that a large gray goose was running amuck on the main street. Did the new marshal wink at it? Not much! He saddled his charger and went after the goose, and got him, too—lassoed him and put his goose-ship in the city pound, where he is fed by the marshal. Report has it that the cause of his goose-ship's arrest originated from the fact that the recorder, who is wealthy, left his vest hanging on the gate with a \$5 note in the vest pocket, when an impudent cow ate up half the vest and all of the \$5 bill. This was too much for the recorder, who spied the goose and turned in the alarm, declaring that hereafter everything be it biped, bovine, equine, graminivorous or omnivorous, to the pound he goes on the slightest infraction of the ordinance. This is certainly as it should be and shows a progressive spirit; in fact, it is reported that the lady who owns the goose will put up no bail, but allow the law to take its course, which means confiscation of his goose-ship.

Prepaid Railroad Orders.

"Something which is of considerable interest to the public generally and which is perhaps not generally known is the system of prepaid orders now in effect between stations of the Southern Pacific company and all points in the United States. By means of this system tickets may be purchased at Medford from any place in the United States and mailed or telegraphed direct to the party wishing to come here. Sleeper accommodations and small amounts of cash in connection with these tickets may also be forwarded at the same time."

A Good Friend in Time of Need.

No one can have a better friend when troubled with colic or diarrhea than Chamberlain's Colic, Cholera and Diarrhoea Remedy. It always cures. For sale by Leon B. Haskins' Pharmacy.

You can double your money in a month. There are only three lots for sale at the P. & E. junction. They will be worth double the minute building operations are resumed. That is as certain as the timber is in the hills. It will take many factories years to use all the lumber that is brought down. These factories will be located at the junction. Several hundred workmen will have to live near by. A boarding house will pay big when the factories are started. Then these lots will be worth two or three times what we ask. Remember there are only three of them for sale, so you will miss it if you don't hurry. Only \$200 each. Also two houses for sale, dirt cheap. See Eastman at P. & E. Junction.
