NELSON FAMILY WITH SELLS-FLOTO SHOWS

There are many novel acts with the Sells-Floto shows which are certain to be well received in every city lucky enough to secure a visit from the consolidated enterprises. There are acts which were never seen in America until this show opened its season of 1909, for the reason that there was no amusement enterprise great enough to afford the large salaries which the artists demand and no institution with sufficient prestige to attract the attention of such celebrated performers.

The Nelson family of aerobats, for instance, perform feats which have never been seen in other shows.

The Sells-Floto circus will exhibit in Medford May 17.
