Lee Edmonson of Derby visited Medford during the week on legal business.

Mr. Aere of Ashland was in the Falls lately trying to sell his residence property.

On account of the sickness of Mr. Rincke our mill is temporarily shut down, but will soon resume operations and be kept busy getting out ties for the railroad extension.

Elmer C. Boardman and wife of Rancheria have been on an extended visit to the valley. Mr. Boardman has sold his ranch.

Ed Walker, manager of Edgar Hafer's timber interests near Butte Falls, is down in the valley and is very jubilant over the early extension of the railroad.

Gus Nichols of Lake Creek has been looking after business matters in the valley during the week past.

Quite a perceptible difference in the feelings of our citizens is very manifest within the past week in view of the good railroad news. We have waited long and patiently and were about disheartened, but now our hopes are much revived and we trust that the present movement will not be in line with former efforts. All things are now ready and we bid our railroad friends a hearty welcome to our midst.

Dude Marcy and Ed Watson went down to the valley on Monday. Mr. Marcy will bring back a large load of store supplies.

Ranger John Holst and family have taken up residence in Butte Falls, having rented the house belonging to Duff Karnas of Medford.

M. C. Mahoney has gone to Medford for a load of store supplies for Merchant Hughes and Druggist Briggs.

The railroad engineer is seeking men and teams for work on the extension.

Fred Reincke, who has been quarantined for some time in Medford, has returned to the Falls and the mill is now operating and parties can be supplied with lumber.

William Dupuy has gone on a trip to Portland and will be absent about a week or more. He is preparing to erect a building to be used as a rooming house in connection with his restaurant.

Our merchants are laying in large supplies for the expected summer trade, and as it is expected the Crater Lake road commission will make headquarters here for a time and the railroad officials will be looking over the situation, we are going to be ready to entertain them all.

Merchant Hughes had a large load of hay hauled in from the valley, as the traveling public is fast increasing.

The piece of road being constructed by Baker and Clevenger is about finished and the public can travel it. This is a fine stretch of road and will make part of the Crater Lake boulevard.

### MARK WEAKENS THE KIDNEYS

Doan's Kidney Pills Have Done Great Service for People Who Work in Medford.

Most Medford people work every day in some strained, unnatural position—bending constantly over a desk—riding on joltink wagons or cars—doing laborious housework; lifting, reaching or pulling, or trying the back in a hundred and one other ways. All these strains tend to wear, weaken and injure the kidneys until they fall behind in their work of filtering the poisons from the blood. Doan's Kidney Pills cure sick kidneys, put new strength in bad backs. Medford cures prove it.

Thomas J. Williams, Oakdale street, Medford, Or., says: "I suffered for a long time from kidney and bladder trouble. The pains through my back were so severe at times that I could hardly endure them. My kidneys were disordered and I had to arise many times during the night to pass the secretions. I was subject to headaches and was very dizzy, especially when I stooped. I did not get relief and became discouraged. Doan's Kidney Pills finally came to my attention, and I procured a box at Haskins' drug store. They soon banished the trouble and I have not had a return since. I cannot speak too highly in praise of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Orders for sweet cream or butter-milk promptly filled. Phone the creamery.

### Prepaid Railroad Orders.

"Something which is of considerable interest to the public generally and which is perhaps not generally known is the system of prepaid orders now in effect between stations of the Southern Pacific company and all points in the United States. By means of this system tickets may be purchased at Medford from any place in the United States and mailed or telegraphed direct to the party wishing to come here. Sleeper accommodations and small amounts of cash in connection with these tickets may also be forwarded at the same time."
