Tribune's Special Correspondent Sends In Many Items of Interest.

James Frivies, mail carrier on route No. 1, is confined to his home with an illness that shows symptoms of pneumonia. Assistant Postmaster C. N. Gilmore is acting as substitute.

At a special meeting of the city council last night a contract for digging two 20-foot storage laterals in the new city well was awarded to A. A. Gillett. No other business was transacted.

City Marshal Holmes is rigidly enforcing the city ordinance prohibiting muggers from loitering about the depot during the passage of trains.

Thomas Smith returned yesterday from Klamath Falls, where he has been employed for the past several weeks.

The ball game which was scheduled to take place here next Sunday, when the local team was to have crossed bats with the Medford team, has been declared off for the reason that Sunday is Memorial day. It is probable that the game will be omitted from the schedule altogether.

Died—May 26, the infant child of Mr. and Mrs. John M. Arden. Interment was at Rock Point cemetery on Friday.

Local freight receipts on billings for Eagle Point and other outlying towns shows a marked increase over the previous month.

Drs. Anderson and Pollnitz are having their office rooms repapered, and painted, and are adding new furniture and carpets.

John Ross, known throughout the state as the champion quick-shot, with rifle, gun and catapult, is practicing for the professional shoot at Klamath Falls June 14, when he will endeavor to carry off the prizes. One of his favorite tricks consists in flipping a discharged 22-caliber shell from the magazine of his rifle and shooting it with the next cartridge in the magazine.

A splendid program was rendered at the opera house last night, when the commencement exercises were held. Standing room was at a premium and fully one-fifth of the number desirous of attending were turned away at the door. This emphasizes the fact that the day is not far distant when a larger opera house or other place where public gatherings may be held will be absolutely necessary.

We never realized that there were so many school children in Central Point until we saw them all together at the opera house last night. Now everyone agrees with Professor Cooper that another modern school building will be necessary before another year rolls round.

The second team will go to Phoenix for another game of ball Sunday. "Peanuts" will occupy the box. As the first team has no game on and there will be no game on the local diamond, a large bunch of rooters will accompany the Cubs.

WARE WEATHERS THE KIDNEYS. Doan's Kidney Pills Have Done Great Service for People Who Work in Medford.

Most Medford people work every day in some strained, unnatural position—bending constantly over a desk—riding on joltink wagons or cars—doing laborious housework; lifting, reaching or pulling, or trying the back in a hundred and one other ways. All these strains tend to wear, weaken and injure the kidneys until they fall behind in their work of filtering the poisons from the blood. Doan's Kidney Pills cure sick kidneys, put new strength in bad backs. Medford cures prove it.

trouble. The pains through my back were so severe at times that I could hardly endure them. My kidneys were disordered and I had to arise many times during the night to pass the secretions. I was subject to headaches and was very dizzy, especially when I stooped. I did not get relief and became discouraged. Doan's Kidney Pills finally came to my attention, and I procured a box at Haekins' drug store. They soon banished the trouble and I have not had a return since. I cannot speak too highly in praise of Doan's Kidney Pills."
