Prospective Tours Yellowstone Park Creating Big Stir

Will Take Care of Itself.

A stranger in the city cried:
"I felt a stir on every side.
'Twas contest here,
'Twas contest there,
'Twas contest, contest, everywhere.
A wild-eyed girl said unto me,
'Subscribe! Subscribe, man!
And that one line may mean a trip
to Wonderland.'
I granted her strange request
And those who read today's score
will know the rest."

The above tells the tale.
All are waking up to the splendid
opportunities for a fine summer vacation and sightseeing trip that their many friends are encouraging them to strive for. There is nothing so good to sharpen one's wits as good, keen competitions in a good-natured tug-of-war, such as The Daily Tribune's voting contest.

Interest and enthusiasm are growing as more find out regarding the prizes.

For instance, many did not know that the trip to Yellowstone Park, the Wonderland of America, included a six-day tour of the park by stage coaches, a trip one has to take to appreciate, no one being able to draw on their imaginations heavy enough. "And this country produces some big dreamers," to conceive the monstrosity and grandeur of the park, and it is safe to say no one would sell his or her experience, if such were possible, for even a great deal more than the actual cost of the trip, if forever thereafter they be unable to again enjoy the thrills and pleasure of seeing the same.

Just think! Of six days of coaching in the mountains amidst nature's most wonderful works, and at the same time having every comfort possible. The evenings at the hotels are spent most pleasantly; the whole household is as one large party.

In the early mornings it is possible to see the big brains around the hotel grounds getting their breakfasts, and sights of deer and elk are common.

Trout fishing is plentiful and some time can be devoted to it, for those who are knights of the reel.

Subscription Blanks.

Candidates should call on the contest manager at once and secure subscription books, and there are a number of things he would like to tell you in regard to the best way of securing votes. Call today at The Daily Tribune office, as the sooner you let your friends know that you are in the contest and are in to win, the more support you will receive from them.

Single Coupon.

From this date a single coupon good for one vote will appear in each issue of the Daily Tribune, which when cut out and name filled in will count as one vote for whomsoever voted.

These coupons will be good for one week from date of issue, and will have to be voted before that time. However, all coupons coming from out of town candidates will be voted if they show postmark of date of expiration.

Contestants should get among their friends and have them save these coupons for them, as many votes can be secured in this way. Coupons can be either mailed or deposited in ballot box at The Tribune

filed and put away for future use office, where they will be counted, if need be.

Votes on subscriptions will be allowed as follows, when paid in advance:

One month's new subscription, 100 votes; old, 50 votes. Three months' new subscription, 400 votes; old, 200 votes. Six months' new subscription, 1000 votes; old, 500 votes. One year's new subscription, 3000 votes; old, 1000 votes. Two years' new subscription, 7000 votes; old, 3500 votes. Five years' new subscription, 20,000 votes; old, 10,000 votes. Chronic Rheumatism.

This is a variety of rheumatism that usually attacks the larger joints, knees, hips and shoulders. It is aggravated by cold and damp weather, and for this reason a man afflicted with it can often foretell changes in the weather. Chamberlain's Liniment applied freely and with vigorous rubbing relieves the pain and makes sleep and rest possible. It will also effect a cure, but will not prevent the recurrence of the disease. For sale by Leon B. Haskins' Pharmacy.

Not content with pushing the Boss Nationals in over their heads all the other National league teams are standing on the Doves to drown them.

Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with the best results. For sale by Leon B. Haskins' Pharmacy.
