**Strong Bill at the Savoy.**

A large crowd witnessed one of the strongest bills of motion pictures ever put on in Medford, and they certainly got their money's worth. "A Baby's Show" is a touching life story of a long separated brother and sister. This is unquestionably the most beautiful motion picture story ever presented, dealing as it does with a subject of the most profound

nature. The atmosphere is that of sanctity, and there is not a harsh or discordant note in its entire length. Beautifully yet consistently staged, convincingly acted and handled with a delicacy seldom of ever equaled in picture productions, superbly photographed, it is the very acme of the art.

"The Emigrant" is a story of sunny Spain, in which an emigrant

who resulted in the happy consummation of a pretty romance. This picture is strongly acted and is indeed a motion picture poem.

"The Suicide Club" is a very funny comedy, sparkling with wit and humor. It is a laugh producer of great merit.

No one should miss this bill of pictures. Tonight and Tuesday only. The Savoy. One dime.
