**Medford Lumber Company Opens  
New Yards on Corner of Third  
Street and S. P. Tracks.**

The Medford Lumber company has completed all preparations and has opened for business in this city, thus adding another firm to those engaged in business in Medford. Nothing has been overlooked in the preliminary work, and the company now has as complete a stock and as splendid an equipment as there is in the city. J. F. Cooley, with 30 years' experience in the lumber business, is the proprietor of the new firm.

The company has opened large yards at the corner of Third street and the S. P. tracks. A large two-story shed has been erected, 160 by 90 feet in dimensions, as well as two warehouses for sash and doors, etc. It is planned soon to enlarge the main shed to 160 by 170 feet.

A complete stock of lumber and building material of all kinds has been laid in and everything which a man could want in the building line can be supplied by this firm. Delivery teams are owned by the company and prompt service is promised.

King, the fireman, whose injuries were at first believed to be fatal, is resting comfortably and the others are improving. The cause of the accident can only be conjectured in official navy yard circles, but it is generally believed that the tube exploded under a heavy jar caused by the vessel stopping to repair the damage to her steering gear. No steps toward an investigation have yet been taken.
