Butte Falls Notes Surveyor Grizez and his crew of men together with the appraisers are viewing the route of the new county road running from Sills Springs to Vestal's which when approved will be granted to run along the line of the road and connecting Butte Falls with all valley points. John Cadzow has joined the state militia and has gone to be mustered in at Portland. Refreshing showers fell here on Monday and the air is balmy, while nature has donned her new dress. B. P. Butler and J. Howland of Medford made a pleasant call at the office of Judge Pentz on Tuesday and reported that the "campers" were having a most delightful time fishing and sporting in the woods. Shorty Miles and wife came from the valley on Wednesday to visit with their parents, Mr. and Mrs. Doubleday. Mr. Jeffreys and family of Central Point passed through town on Tuesday on their way to their homestead. Miss Bessie Nutting, the famous homesteader, was visiting our town on Tuesday. She reports that she has a fine garden, flock of laying reens, besides several head of swine; that she keeps her trusty rifle and knife ready and that no sense of fear ever troubles her nightly dreams. She is vivacious, quick at repartee and vigorously determined and has gained the good will of all the settlers by her indomitable pluck, frankness and contented disposition. She shows what woman can do. Mr. Roy Cobby and sister were

visiting lately and trading with the merchants.

Mr. Bonney and wife of Medford have joined the colony of campers at Camp Niek.

If Medfordites would enjoy cool, invigorating breezes, sparkling with mountain streams of delicious water filled with speckled beauties and undisturbed slumbers, let them lie to this Mecca and they will be loth to leave.

We do not see why some artist has not taken views of this sublime work of nature. Engineer when going over the land looking out the Crater Lake Boulevard route, was so impressed with the weirdness and the majesty of this sight which inspires and awes, that he told your scribe that he had witnessed nothing like it and that it was well worth the trip to view this unsurpassed scenery.
