### Attention, Pioneers.

The 33d annual reunion of the Pioneer society of Southern Oregon will be held at Ashland, Or., on Thursday, the 26th day of August, 1909. We hope to have the pleasure of greeting you on that occasion, together with your family and friends. It is desirable that the annual reunions of the society be perpetuated. Professor B. F. Mulkey has agreed to deliver the address to the pioneers and their friends at that time. Come and bring your badges with you. Respectfully yours,  
SILAS J. DAY, Secretary.

### Prepaid Railroad Orders.

"Something which is of considerable interest to the public generally and which is perhaps not generally known now in effect between stations of the Southern Pacific company and all points in the United States. By means of this system tickets may be purchased at Medford from any place in the United States and mailed or telegraphed direct to the party wishing to come here. Sleeper accommodations and small amounts of cash in connection with these tickets may also be forwarded at the same time."

We overheard a young fellow remark that he couldn't see how the Spot cafe could afford to give such good meals for the price. 123

### GRANTS PASS MONEY BUILDS BIG CANAL

GRANTS PASS, Or., Aug. 12.—Construction of the gravity canal and high line irrigation ditches which are to bring water from Rogue river to the arid lands in and around Grants Pass is progressing rapidly. The most difficult portion of the gravity canal, that near the power dam, was attacked with two powerful hydraulic giants. By this method the cemented ground and huge boulders were easily removed. The gravity canal is 12 feet wide at the bottom, 18 feet at the top and 5 feet deep.

Two high line ditches have been constructed, one on each side of the river. These will irrigate all of Grants Pass and much of the country adjacent to this city. The south bank ditch will reach and cover the orchards and farms of the Fruitdale district. Money for the undertaking was entirely supplied from Grants Pass.

### Which Is Which?

Do you know? Well, there is a way to find out, by attending the Savoy tonight. While you are trying to get light upon the subject, your eraser of mirth will heave with merriment. There is a laugh in every foot of this film, and it is a thousand feet long. "The New Cop" is the latest funnygraph and causes laugh after laugh to ripple forth until your sides grow weary with joy.

Well, get busy, take Lizzie and the kids and go to the Savoy tonight. Laugh, dispel your troubles and you will get up in the morning feeling like a 2-year-old.

"Shrove Tuesday" is a beautiful hand colored dramatic story, full of intense situations, strongly acted, amidst beautiful natural scenery. "Tuisia Industries" is an industrial educational picture, which takes us amongst strange people and shows their obsolete industries. She Savoy—cool, cozy, one dime.
