HUSSEY'S THE BUSY STORE

1000 BOXES OF APPLES TO ACRE

The Ad Helms orchard at the south end of the Rogue River valley is again forging to the front as a record breaker. This orchard consists of eight

acres of 23-year-old Newtown Pippins, and the trees are now laden with the biggest crop on record, an estimated yield of 1000 boxes to the acre. From present indications this will net the owner from \$1500 to \$2000 an acre. In 1907 the orchard produced 6500 boxes of Newtowns, which netted the owner \$2.50 a box, or \$16,000.

THOUSANDS TO EAT LOCAL APPLES

Purchasing Agent for Fred Harvey Eating House System to Buy Local Pears.

The Commercial club is in receipt of a letter from W. F. McCormack, the purchasing agent for the Harvey eating house system, making inquiries regarding local apples. The Harvey eating houses are known to the traveling public the country over. Following is Mr. McCormack's letter:

San Francisco, Cal., Aug. 17.—Secretary Commercial Club, Medford, Oregon—Dear Sir: If conditions warrant, I expect to visit Medford about September 1 for the purpose of investigating the apple situation. The concern I represent, the Harvey Eating House System, operating on the line of the Santa Fe railway, will require a number of fancy apples. If you can refer me to a strictly reliable grower who this would likely interest I will appreciate it very much, as it will assist me in saving time on arrival at Medford. It is my intention of completing arrangements for these apples and later on return and see them packed and shipped.

Yours truly,
W. F. MCCORMACK,
Purchasing Agent for Fred Harvey,
Ferry Building, San Francisco.

HARRY CANNOT SMOKE CIGARETTES

Officials Deny Him Any Special Privileges, Although They Were Suggested.

FISHKILL LANDING, N. Y., Aug. 19.—The privileges suggested by Justice Mills at the recent investigation as to Harry Thaw's sanity have been denied by the officials of the Matewan asylum. Thaw is denied the privilege of smoking, can't have a light in his room and must retire at the same hour as the other inmates. Justice Mills, although ruling that Harry is insane, suggested that he be allowed several privileges.

NOTICE.
A nice supply of fresh fish, chickens and oysters, cheese, etc., at the Rogue River Fish Co. Cash paid for chickens.

We will exchange small fruit ranch for house and lot in Medford.

MORE REASONS

Did You See This Space Yesterday?

Every woman in Medford and vicinity would do well to make a file of these reasons and read them over when they contemplate purchasing any extensive amount of goods. There is REASON in every word.

Seventh—We buy direct from the BEST manufacturers of skirts and all ready-to-wears and pay less than any store who buys in or west of Chicago.

Eighth—We can prove beyond the shadow of a doubt that fully 75 per cent of the millinery and ready-to-wear goods which will be offered to the people of Medford this fall by our competitors will have been bought on the coast and will have cost fully 25 per cent more than we pay for our goods, consequently must of necessity be sold or offered at a higher price.

Ninth—Our buying service in New York will buy our goods as close as the jobbers of the coast can buy, hence we save you the middle men's profits. Think what this means and watch our prices on the new goods.

A Hint to the Wise

All goods now on our shelves and on our racks will be sold from today on at slaughtered prices in order to make room for the incoming fall purchases. You have a full two months to wear these goods yet.

FOR SALE—AUGUST ONLY A SUMMER RESORT ON KLAMATH LAKE That is Unsurpassed in America

This is a sporting proposition for men of wealth—it is not a farm. Unequaled Trout Fishing—June to November.

Deer Hunting on the premises, August 1 to November 1. Duck Shooting superior to any in the state, over thousands of acres of wild celery and rice, September 1 to February 1. Grouse and Pheasant Shooting on the place October 15 to November 15.

Best starting place in the county for a Bear hunt.

The Crater Lake Automobile road will run through the place for a mile and a quarter.

Navigable water to the property, unsurpassed drinking water, and power to develop the property.

More bottom land and fine garden land than any place on the lake.

Thousands of Pine and Fir trees and thousands of Quaking Aspens.

More varieties of wild flowers and natural grasses and vetches than any place in the county.

If you develop this property as it can be developed, there is no resort in the county that can compare with it.

No amount of talking will describe it—let us show you.

We have been offered more than twice what it cost, but have a price at which you may take it—below which we will keep it.
