CHINA AND JAPAN HAVE REACHED AN AGREEMENT

TOKIO, Aug. 21.—The memorandum signed at Mukden by representatives of the Japanese and Chinese governments, virtually closes the Japanese-Chinese controversy. According to the terms of this under-

standing, China agrees to afford Japan every assistance in the reconstruction of the Antung-Mukden railroad and withdraws all her objections.

Tea, coffee, beer or claret, with club lunch, 30 cents, at the Emerick Cafe.

THE PORTLAND FAIR AND LIVE STOCK EXPOSITION

The primary object in organizing the Portland Fair and Live stock exposition was to foster and advance the livestock interests of Oregon and also of the northwest. With this object in view the business men of Oregon got together and formed such an organization. Among the promoters are Portland's and Oregon's most prominent bankers, wholesale and retail merchants. Through their untiring efforts Portland has one of the best equipped fair plants on the Pacific coast. Two hundred thousand dollars were spent in securing this plant and today it is the talk of the Pacific coast.

The race track is a regulation mile track, laid out and built on the best plans obtainable. It is considered the fastest track on the coast and this was demonstrated last year when Ray O'Light paced to the coast's 3-year-old record of 2:08 1/4.

The grandstand is situated on the north side of the grounds and from it one of the finest panoramic views in Oregon may be seen. Almost every part of the entire grounds is visible from the grandstand and an unequalled view of the races may be seen from it.

Barns for horses, cattle, sheep and swine have been built and each is arranged for its special purpose. The barns are large and roomy and present nice appearance and exhibitors who were at the fair last year speak very highly of the accommodations.

The business men and citizens of Portland feel justly proud of the \$200,000 plant and all Oregon should turn out and support this fair, which will be held September 20-25, and a banner crowd is expected.

Fresh crawfish received daily from the Quelle at Portland at the Nash Grill.
