We feel very confident that you will see fit to buy a good many of the things which you are going to need for fall when you come and look at the bargains this store has prepared for you.

<p><b>Sample Suits</b></p> <p>Right at the beginning of the season we bring to the women of this vicinity over one hundred and fifty Suits, all the very latest New York models, and start a sample sale which will be the means of saving you a great deal of money on your fall suit, and, just think of the time you will have in which to wear it. Each year a lot of people wait for sales of the last of the season reductions. This season there will be no need for anyone to wait—just get a sample suit and get the very latest style and surely the very best workmanship and, last but not least, you can save from 25c to 50c on every dollar you spend.</p> <p>Sale prices <b>\$7.50 all along to \$37.50</b>; worth from \$12.50 to \$60.00.</p>	<p><b>New Waists</b></p> <p>We have been marking waists almost every day for the past week, and although all the waists you will see at this sale will not be samples, yet we will place every waist in the store on sale and you will have an opportunity to purchase almost any kind of a waist at a big saving. Remember that we are showing you all new waists, and every one is not only the newest as to point of style, but you will find exceptionally fine work, and yet the prices will be surprisingly low.</p> <p>Waists worth from \$4.00 and along up to \$15.00 to go, only during this sale, for <b>\$3.25 and along up to \$11.00.</b></p>	<p><b>Sample Dresses</b></p> <p>Quite a goodly showing of the newest Dresses will be on sale and we very much desire that you should have a look at these dresses. You will see some things that will appeal to you, and the prices will appeal even stronger than anything else. If you have ever read many of our advertisements you have found that we never urge you to come to buy, but we urge you to come and look. The new colorings are very pretty and the styles are most becoming. Whether you desire a party, reception or street dress, we can supply you.</p> <p>Regular \$20 to \$50 dresses for the four days only for <b>\$14.50 and all along to \$33.50.</b></p>
---	---	--

<p><b>Umbrellas</b></p> <p>Just put yourself out a little bit and come around by this store and have a look at the window of fine new Umbrellas. Every handle is new and you will find that they are fully three inches longer than any umbrella you ever saw before. This is the style for fall and we think every lady will appreciate having an umbrella that has a handle long enough to keep it from touching her hat every time she takes a step. Now the best part is to come—one of the big New York stores was selling this identical umbrella at a special sale and asking for them \$5. They were going like hot cakes, so our Mr. Hutchason bought a lot and brought them out here, and to illustrate the profits tourists to New York have to pay, we are going to sell them to you for the ridiculous price of only <b>\$5.49.</b></p>	<p><b>SAMPLE COATS</b></p> <p>Have you taken a look at the new Coats in our window? If you have seen the new coats of course you are anxious to know what the prices are going to be and we will be pleased to show you and tell you the prices if you will visit this store before Saturday. If you are up on the tendencies of the times, you will have found out that this is to be a great coat year. A good many people are going to affect the long coat and a separate dress, and we think you can appreciate the fact that right now is the time to get a coat. By buying now, at this sale, you not only get the very best value, but you have longer to wear.</p> <p>Sale prices range from <b>\$4.00 along to \$40.00</b> and are worth from \$5.00 along up to \$60.00.</p>	<p><b>Bedding</b></p> <p>Early in the season we get our Bedding in and put it away before the fall rush begins, so it will be out of the way when the other goods arrive. Our stock of bedding this season is about three times as large as last season and we feel that we have bought this bedding so close that we can offer our customers the best values ever offered anywhere. We can't do this another season if the high prices on cotton goods still hold, and the tendencies seem to be that way. We invite all who contemplate the purchase of bedding to come here and look the stock over and see for yourself just how low the prices really are.</p>

**UNFAVORABLE WEATHER FOR VALLEY HOP CROP**

SALEM, Or., Aug. 24.—A trace of rain last night in this section of the valley followed by a hot, sultry day, makes a combination of conditions anything but favorable to the growing hop crop. The cool nights and mornings followed by warm sunshine later in the day have the effect of steaming the buds, and, if very much extremely hot weather is experienced between now and harvest time many of the yards will have turned black and a large percentage of them will not be picked. A local dealer wired his firm this morning stating that the quantity and quality of the Oregon crop hang in the balance, and it is impossible to predict the outcome.
