Why Druggists Recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Mr. Frank C. Hanrahan, a prominent druggist of Portsmouth, Va., says: "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes that pay me a larger profit, but this remedy is so sure to effect a cure, and my customer so certain to appreciate in recommending it to him, that I give it the preference." For sale by Leon B. Haskins' Pharmacy.

Prepaid Railroad Orders.

"Something which is of considerable interest to the public generally and which is perhaps not generally known is in effect between stations of the Southern Pacific company and all points in the United States. By means of this system tickets may be purchased at Medford from any place in the United States and mailed or telegraphed direct to the party wishing to come here. Sleeper accommodations and small amounts of cash in connection with these tickets may also be forwarded at the same time."

CANADIANS AFTER A LITTLE NAVY OF THEIR OWN

OTTAWA, Ont., Sept. 7.—Canada is extremely anxious to possess a war fleet of its own and efforts are being put forth to induce British shipbuilders to locate plants on Canadian soil. It is said three world-famous shipbuilders are now considering proposals to locate branch yards in the Dominion and have been assured that the Canadian government will grant every concession in the way of a tariff or in any other line possible.

Why allow your eyes to use more than their normal supply of nervous energy? Even a slight saving each day may mean much to you for future health. We never prescribe lenses until we have taken nerve measurements under pressure and with pressure removed to prove accuracy of our findings when relief is sure to follow.

Improper adjustments of lenses not only detract from appearance but adds much to eye strain. McCormick methods used exclusively. Brief consultation free. DR. IVY M. ROBINSON, Eye Specialist. East Main St., over Nicholson's Hardware.
