**Taxless Towns.**

No fewer than 1,500 towns and villages in Germany still own, and have owned, down from the middle ages, so much common land that their inhabitants pay neither rates nor taxes. Five hundred of these townships and villages derive so great a rental from their lands that they are able, in addition, to pay every citizen on New Year's day, a bonus of from \$25 to \$100 as his share of the surplus revenue.

**Had No More Time.**

"I can't wait any further for you. What are you reading, anyhow?" "Henry James. Wait until I finish this chapter."

**They Adjourned.**

Gus—What did you think of our amateur theatricals, Miss Mamie? Rather a rare entertainment, was it not? Miss Mamie—Well—er—yes; it wasn't very well done, to be sure.—Harper's Bazar.

**Always Picking.**  
An amusing story is told of the answer given by a London walf to a Salvation Army captain. The zealous officer had asked the boy what work he did to provide him with food, etc., and the reply was, "I pick strawberries in the summer, I pick hops in the autumn, I pick pockets in the winter, and onkum for the rest of the year."

**Stumped.**  
"Why, Puss, you people here don't know anything about fruit. Out in Oregon we raise apples as big as your head."

"Do you raise peaches as big as I am, Uncle Phil?"  
"Why—er—ah!"—Chicago Tribune.

Fortune Teller—I can read that there is to be a wreck in your home, and it will be caused by a blond woman. Patron—Oh, that has already occurred. Our new Swedish maid let the dumb waiter fall and broke all the dishes.—Baltimore American.

**A Cheerful Letter.**

The following was sent by a countryman to his son in college not many years ago:

My Dear Son—I write to send you two pair of old breeches, that you may have a new coat made of them; also some new socks, which your mother knit by cutting down some of mine. Your mother sends you \$10 without my knowledge, and for fear you will not spend it wisely I have kept back half and only send five. Your mother and I are well, except your sister Annie has got the measles, which we think would spread among other girls if Tom had not had them before, and he is the only one left. I hope you are well and will do honor to my teachings. If you do not you are an ass, and your mother and myself are your affectionate parents.  
—Nantucket Inquirer and Mirror.

**A Nice Bird.**

"Do you like a nice bird?" asked the host as they sat down to the table.  
"Oh, yes!" responded the guest immediately and enthusiastically.  
"You ought to call on my sister," explained the other. "She's got one of the finest canaries you ever saw. Well, what kind of a sandwich do you think you can eat?"—London Telegraph.

Those who are looking for good investments can do no better than to investigate this beautiful property

Twenty-eight fine lots located on Main street, six blocks west of the business district. Main street is being paved, water mains are being laid, sewer is in, cement walks going in, cross street 60 feet wide. Lots are 50x137, front lots 70x140. Always accessible, either on foot or wheel on account of paved streets. Building line 25 feet from front of lots.

There is no question but what one will make 50 to 100 per cent on the investment in the course of a year. Medford is growing very rapidly and without question this is the cheapest property within the same radius of anything in the city today. The price and the terms are reasonable. Come and look this over and be convinced.

We also have a splendid business property, of large size, that will stand investigation. The present price will look cheap in a year's time.

Also have 40 acres first-class fruit land that can be traded for city property. This is some distance out, well located, easily cleared and no waste or steep land. Now what have you to offer?
