Why allow your eyes to use more than their normal supply of nervous energy? Even a slight saving each day may mean much to you for future health. We never prescribe lenses until we have taken nerve measurements under pressure and with pressure removed to prove accuracy of our findings when relief is sure to follow.

Improper adjustments of lenses not only detracts from appearance but adds much to eye strain.  
 McCormick methods used exclusively. Brief consultation free.  
**DR. IVY M. ROBINSON,**  
**Eye Specialist.**
