Good Looking Brides Wanted. Shortly after an angry looking couple bounced out of the chapel the pastor of an uptown church presented a perplexed countenance before the busy sexton.

"As you know," said he, "I am new in this parish and new in the city. Perhaps there are a few things I ought to know. Why, for instance, do so many people who never attend service in this church wish to be married here?"

"Because our church," said the sexton, "has the name of turning out the youngest and handsomest brides in New York. Our reputation for good works is dwarfed by our reputation for beautiful brides. To say that a woman is married here is equivalent to saying that she is a 'good looker.' We are not supposed to deal in brides of any other description."

"No wonder," groined the pastor, "that that plain looking woman went away in a huff. I earnestly advised her to be married in her own parish."—New York Globe.

IMPERIAL ADDITION

Imperial addition was opened in May. We have sold 45 lots, a great many of them to people who expect to build on them in the near future. When we opened the addition we advertised that we would give away one lot to the purchasers of the first 25. This we have done. The lot owners deciding it by a drawing, Phil Loosly being the lucky man. Now we are going to make the same offer on the next 25 lots sold. We are also going to commence building a neat modern bungalow in this addition to sell on easy terms, and will continue to build them as long as there is a demand for houses. In our judgment,

MEDFORD WILL DOUBLE IN POPULATION

in the next two years. Next summer East Main street will be paved and East Side values will double up. Now is the time to buy a lot in Imperial addition—a small amount of cash down and your own time on the balance.
