Assessment No. 197, C. W. Palm, et ux.—Lot 1, block 3, Palm addition in the city of Medford, Oregon; frontage 100 feet on west side Oakdale avenue, North, 100 feet. Rate per foot, 65 cents. Amount due, \$65.00.

And it is hereby ordered that the recorder cause a statement of said respective assessments to be entered in the docket of city liens and give notice thereof by publication as required by law, and that said liens be enforced as provided by the ordinances of the city of Medford, for the enforcement of liens for the improvements of a street.

The foregoing ordinance was passed on the 14th day of September, 1909, by the city council of the city of Medford, Oregon, by the following vote: Welch ave, Merrick ave, Emerick absent, Wortman ave, Eifert ave, and Demmer ave.

Approved September 15th, 1909.

W. H. CANON, Mayor.

Attest:

ROBT. W. TELFER,
City Recorder.

ORDINANCE NO. 225.

An ordinance declaring the assessment on the property benefited for the cost of laying a water main on West Main street and directing the recorder to enter a statement thereof in the water main lien docket.

The city of Medford doth ordain as follows:

Section 1. Whereas, the city council did heretofore by resolution declare its intention to lay an 8-inch water main on West Main street from Laurel street to west corporation boundary and to assess the cost thereof on the property fronting on said portion of said street in proportion to the frontage of said property, and did fix a time and place for hearing protests against the laying of said water main and the cost of the assessment thereof on the property fronting on said portion of said street:

And, whereas, said resolution was duly published and posted as required by section 116 of the charter of said city:

And, whereas, a meeting of said council was held at the time and place fixed in said resolution for the purpose of considering any such protests, but no protests were at said time or at any other time made or received by the council to the laying of said water main or the assessment of the cost thereof as aforesaid, and said council deeming that said water main was and is of material benefit to said city and that all property to be assessed therefor would be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property, did order said water main laid:

And, whereas, the cost of laying said water main is hereby determined to be the sum of \$4839.90:

Now, therefore, it is hereby further determined that the proportionate share of the cost of laying said water main of each parcel of the property fronting on said portion of said street benefited by the laying of said water main in the full extent of the amount so set opposite the description of each parcel and that said respective amounts represent the proportional benefits thereof to said respective parcels of property and the city council does hereby declare that each of the parcels of property described below to be assessed and the same hereby is assessed the amount set opposite each respective description for the cost of laying said water main.

ASSESSMENT FOR AN EIGHT-INCH WATER MAIN ON WEST MAIN STREET, COMMENCING AT LAUREL STREET AND RUNNING WEST ON SAID MAIN STREET TO CORPORATION LINE:
