JOY RIDE KILLS TWO; HURTS THREE

Car Plunges Off Road, Killing Two Men and Injuring Three Women.

SEATTLE, Sept. 23.—Two men are dead, another dying, two women slightly hurt and another seriously injured is the result of an automobile joy ride which ended shortly after daylight this morning, when a big Pope-Toledo car plunged over a bridge in the southern part of this city onto the tide flats.

The car caught fire when the gasoline tank exploded. All the occupants except the chauffeur were pinned under the car and burned.

HOOD RIVER WILL SEND DISPLAY EAST

HOOD RIVER, Or., Sept. 23.—Hood River is preparing a display of fruit at the national irrigation congress to be held in Chicago in November. The Hood River Apple Growers' union expects to send a car of the finest apples to the great show. Thomas Persons is in Hood River today taking scenes of the apple industry with a moving picture camera. These will be used in connection with the display of fruit.

Entire change of program at the Bijou theater tonight, when the Darling Stock company will present the "Girl of the Golden West." Don't fail to see it. 160

If the East Side will wake up now Oakdale avenue and West Eighth street won't have it all their own way, as the best residence districts of the city.

See Prof. Anton Romanoff, formerly court violinist of Austrian emperor, for lessons on violin, guitar and mandolin. Leave orders at Nash hotel.
