## BIG APPLE CROP NEAR THE PASS

Josephine County Will Plant 10,000 Acres of Fruit Trees During the Coming Season.

GRANTS PASS, Or., Oct. 16.—The Shank & Hall orchard is a busy place during this the harvest time of the fruit year. These men had the foresight to drive the frost king, who came late, back to his lair by the use of smudge pots of crude oil. The result is a crop, in particular on three acres of Newtowns and Winesaps, which, experts say, will produce 2500 boxes, and these being mostly Newtowns, they will bring fully \$2000 per acre. A part of the trees of this orchard outside of the three acres, did not bloom this year, but the whole 35 acres will bring to its owners not less than \$12,000 worth of marketable fruit.

Apple growing has become a popular business and many new orchards are started in this county every year, and throughout this state and other states in the northwest, and the question naturally comes up, will the business be overdone and apples become a drug on the market? There is another side to this, which takes care of the apple grower of the future. The business, it is true, is rapidly extending, but the apple is king and is finding a new market every year. Its quality is improving and the northwest, and especially the Rogue River valley, produces the choicest fruit in the world. This will ensure prices for the future. Josephine county will plant next year 10,000 acres in apples, pears and other fruits.

Well Known Hotel Keeper Uses and Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"I take pleasure in saying that I have kept Chamberlain's Colic, Cholera and Diarrhoea Remedy in my family medicine chest for about 15 years, and have always had satisfactory results from its use. I have administered it to a great many traveling men who were suffering from troubles for which it is recommended, and have never failed to relieve," says J. C. Jenkins of Glasgow, Ky. This remedy is for sale by Leon B. Haskins' pharmacy.

## BELIEVES IN ROAD LAKE TO SEA

Official Talks of Great Highway Which Shall Bring Prosperity to Four Counties.

GRANTS PASS, Or., Oct. 16.—R. A. Dean of the forest reserve force and who is in charge of the Gold Beach district, arrived in Grants Pass last Thursday and has been spending a few days at headquarters. In speaking of the country down the river he was earnest in his advocacy of the building of a wagon road from Gold Beach up Rogue river to Crater Lake. He believes such a road would be of great public benefit, not only as a mail route, but would serve as an outlet for Curry county and a practical way for new settlers to reach that country.

Mr. Dean says that a wagon road from Gold Beach up Rogue river would not be an expensive undertaking, as the government trail has only to be widened as far as finished and then again the Alameda company has a good road up the river to Galice, and from there on a county road leads to Grants Pass and beyond. In building the place to commence is at Alameda, from there to Gold Beach is only 75 miles. Half of this distance is an easy grade and comparatively inexpensive in road construction. This route penetrates a farming country and after leaving Alameda will pass through well known points, such as Mule Creek, Ilahie, Agnes, and then 30 miles below it will end at Gold Beach. Agnes is a wonderful copper district and will some time be the center of copper mining on a large scale. The river from Agnes is navigable to the ocean for gasoline boats and a large amount of freight goes to the upper country this way.

### More Than Enough Is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again.
