CITY NOTICES.

ORDINANCE NO. 229.

An ordinance declaring the assess ment on the property benefited for the cost of laving a water main on Rose avenue and directing the recorder to enter a statement thereof in the water main lien docket.

The city of Medford doth ordain

Section I. Whereas, the cit- council did heretofore by resolution declare its intention to lay a 4-inch water main on Rose avenue from West Main street to West Fourth street. and to assess the cost thereof on the property fronting on said portion of said street in proportion to the frontage of said property, and did fix a time and place for hearing protests against the laving of said water main on said portion of said street and the assessment of the cost thereof as

aforesaid; and, Whereas, said resolution was duly posted and published as required by section 116 of the charter of said

city; and,

Whereas, a meeting of the council in said resolution for the purpose of considering any such protests, but no protests were at such time or at any time made to or received by the main or the assessing of the cost thereof as aforesaid, and said coundeeming that said water main was and is of material benefit to said city and that all property to be assessed therefor would be benefited thereby to the extent of the probable amount the respective assessments to be levied against said property.

did order said water main laid; and, Whereas, the cost of said water main has been and hereby is determined to be the sum of \$695.60.

Now, therefore, it is hereby further determined that the proportionate share of the cost of laying said water main of each parcel of the property fronting on said portion of said street is the amount set opposite the description of each piece or parcel of land below and that each such piece or parcel of land is benefited by the laying of said water main to the full extent of the amount so set opposite the description of such piece or parcel, and that the respective amounts represent the proportional benefits of said water main to said respective parcels of property and also the proportional frontage thereof on said portion of said street, and the council does hereby declare each of the parcels of property described below to be assessed and each of the same hereby is assessed the amount set opposite each respective description for the cost of laying said water
