Advertising

Is a venture that requires a good business head and sound judgement, and these you show when you place your ad. in the ADVERTISER.

Being small, every inch of its contents is eagerly pursued, and if you have an announcement in its columns, people know it.

The ADVERTISER is not an antiquated publication, but a modern, up-to-date journal, publishing the cream of the latest local news a whole day ahead of any other weekly in Southern Oregon, while the interests of its advertisers are earnestly promoted,—and that's why an advertisement in its columns

Pays.
