

NORMAL SCHOOL NOTES.

Miss Ollie Marksbury went home Friday evening to visit with relatives.

Jerom Fitzgerald spent Saturday and Sunday with his parents in Gold Hill.

Miss Potter, of Sam's Valley, entered school Monday to take the Normal course.

Rev. A. S. Foster and daughter, of Medford, were visitors at the school last Thursday.

Mr. Sill, of Grant's Pass, entered school last week and is taking the Normal course.

Mr. C. A. Byrd, of Drain, visited the school Saturday and was well pleased with the same.

The first Sunday afternoon lecture will be given next Sunday at 2:30, p. m. Everyone invited. Good music.

There will be special music Friday morning for chapel. We would be pleased to see some of our city friends at chapel exercises now and then.

A party of students went out last Saturday on a geological expedition and found many unique specimens, which were brought back and added to Prof. Storms' department.

The boys of the school have organized a foot ball club. The following officers were elected: Pres., Prof. Vining; Vice Pres., Lester High; Captain of first team, Prof. J. J. Berry; Captain of second team, Lester Newton.

STUDENT.

Ashland's Music Club.

The Ashland Music Club is now established in its convenient quarters in Reeser block, next door to the ADVERTISER office.

The organizers of the club are E. P. Childs, B. R. Willits and G. C. Crary, whose offices are as follows: B. R. Willits, director, E. P. Childs, assistant director; G. C. Crary, secretary and treasurer.

The object of the club is to cultivate and promote local musical talent, and to this end, the management will devote their time and ability.

State Normal School.

Those wishing to take music, either piano, voice or organ, can see Miss Thomas, the teacher, at the Normal building or at her boarding place, Mrs. White's, corner First avenue and Spring street. One hour lessons, 50 cents. Lessons given at the school or at the homes of the students.

If you need water only when the wind blows; if you are satisfied to utilize but a small fraction of the water in your well; if you prefer heavy damages for repairs after each storm in Winter, by all means use a windmill; but if you want water at any time, and up to the full capacity of your well, put in an Ajax Coal Oil Gas Engine, the latest thing in mechanics, an engine that uses common coal oil for fuel, and is built by the well known firm of Palmer and Rey, San Francisco, Cal.

THE MARBLE HILL ERA is a 4 page weekly paper, choke full of choice reading, only 25c per year. For uniqueness and originality it cannot be beaten. Sample copy free.

John S. Smith, Pub. Marble Hill, Ind.

FREE. If you will cut out and send us with your next order, this notice, we will send you, free of cost, a pair of ELEGANT HOUSE SLIPPERS worth \$1.00 to \$2.00, if the order is over \$25.00 and is accompanied by remittance to cover the amount. If under \$25.00, we will send something nice of less value.

We want to see how many of our friends read the ADVERTISER, to see if it pays to advertise. No attention paid to letters about it unless clipping comes with order.
