The Populist primaries will be held
next Saturday only, instead of Friday
and Saturday as printed on first page.
The convention will occupy two days.

An unusually large run of job work
this and the past week interfered with
the publication of our poetical supple-
ment with this issue. It will be out in a
short time, however.

Our April Fool "apparition" in last
issue worked like a charm. In your de-
sire to see what you were looking for,
you may have been gratified, but—it is
hardly probable that you were.

The firm of Virgin & Co. has begun
suit against the City of Ashland for full
possession of 1,000 square inches of
water under a six inch head from Ash-
land creek, and damages to the extent
of \$500. They sue for twice the power
required to run the mill before they
went into possession, and about 200
more square inches of water than the
stream runs in the dry season. If the
Mill Co. own the water, it is right that
they be given possession, and, the city
needing the water, must condemn and
take it. The people must have the
water, flour or no flour. Snowy Butte
flour is sufficiently good,—and already
its sale is increasing.

City Council Proceedings.

APRIL 6, 1896.

Monthly reports of city officers receiv-
ed and filed. Also quarterly report of
city treasurer and sexton of cemetery.

Rev. F. G. Strange, being present,
made a motion and presented a petition
signed by several business men, asking
for an ordinance to close saloons and
business houses on Sunday.

A petition signed by the barbers of
Ashland, requesting the passage of an
ordinance closing barber shops on Sun-
day, was presented.

Both of the above petitions were re-
ferred to committee—J. W. Schmidt, C.
H. Vaupel and D. F. Fox—for consider-
ation and report.

City marshal was instructed to inspect
all premises and back alleys where gar-
bage or other refuse detrimental to
health may be found, and to notify the
occupants of such premises to remove or
abate the nuisance at once.

Bills to the amount of \$533.36
were approved and ordered paid.

On motion, the Council adjourned to
meet again Thursday, April 9.

risburg Saturday, where he has been

trict Republican convention, T. H.
Tongue was nominated for Congressman

vention, Binger Hermann, Timmon

ler 10, Tongue 28, Truitt 11.
