### W. C. T. U. Convention.

The third annual convention of the Jackson county W. C. T. U. was held in Medford last Tuesday, Wednesday and Thursday, May 12, 13 and 14. The attendance was large.

The first meeting was held Tuesday evening. Addresses, singing and devotional exercises occupied the evening.

Wednesday morning, roll call of officers and members and committee reports. At noon, a bounteous repast was spread by the ladies of Medford.

Afternoon session opened at 1:30 with song service and devotional exercises. Several well prepared papers were read by prominent members of the order.

Wednesday evening, song service, devotional exercises and lecture by Rev. Edward Gittings, of Medford.

Thursday morning, devotional and song services. A number of papers were read. The annual reports of officers were submitted and new officers elected. Mrs. D. E. Hyde was unanimously re-elected president; Mrs. Isabel Birge was elected corresponding secretary; Mrs. Rose Degroot, recording secretary, Mrs. L. E. Norris, treasurer.

Thursday morning, devotional exercises and addresses.

Thursday afternoon, devotional services and music. A good paper on Evangelistic work, prepared by Mrs. A. A. Kellogg, was read by Mrs. Rose Degroot. An invitation to meet in Ashland next year was accepted.

### The Fruit Outlook.

(From the Climate and Crop Bulletin of the Oregon Climate and Crop Service)

FRUIT.—Concerning the fruit crop, it has changed little since last week. Correspondents still report fruit as failing, and many express themselves in doubt. The extent of damage cannot be ascertained until some warm spring weather has had its effect. The weather becoming suddenly warm would also be damaging. Pears, prunes, peaches and cherries have suffered the most. Some trees are well set with these fruits, but the growth seems to be checked, and a sickly look is noticed. Early apples have suffered also, but the late blooming apple has a better prospect. Gooseberries and currants make slow growth, but are not much hurt in other respects. Strawberries are backward. Blackberries are beginning to bloom with a prospect of a very full crop. The apple and cherry crops are thought to be safe in Curry county, the rains having been warmer than in other sections. Late blooming fruits in Lincoln county are doing well. The future of all early fruits will be determined after a spell of fair weather and sunshine.
