Astoria will hold its third annual regatta during the week of August 18-22, which will include the State Firemen's tournament. All arrangements are being effected for the entertainment and comfort of the large number of visitors who will come from abroad to participate in and enjoy the festival of sport, on water and on land. The program has been arranged, the prizes announced and everything is in shipshape, and a grand success is insured. The press committee are extending invitations to their brethren throughout the Northwest, and it is safe to say that the press of Astoria will see to it that the "boys" are not neglected during their stay.
