Normal School Notes.

Three girls and two boys have been settled in good places to work for their board. One more place is needed for a girl.

Mr. Sayles, the news stand and candy man, has specially favored the Normal by the donation of the Daily Oregonian for the library and reading room. Next!

The Normal bus will leave Winter's corner next Monday morning at 8:30 and return at 11:30; so it is not necessary for students boarding in town to take dinner along the first day.

The treasurer of the Board will be at the building the forenoon Monday to receipt for tuition. The students will have the afternoon to buy their books.

The bus fare is 2½ cents each way or 5 cents round trip. Tickets for two weeks or a month can be purchased of Mr. Newton, the driver.

More than half of the newspapers in which the Normal advertisements appear are contributed to the reading room for the year. The others will be freely given as soon as asked for.

Prof. Miles, Miss Ada Thomas, Miss Fielder, and a large number of students will arrive Saturday from the north.

Miss Wesela and the Gardiner students will arrive Friday. *
