

W. C. T. U. Gleams.

The Lord hath his way in the whirlwind and in the storm, and the clouds are the dust of his feet,—Nahum 1:3

Dr. Leslie E. Keeley says: It is more difficult to cure a confirmed cigarette smoker than a confirmed drunkard."

The passage in the bible which President McKinley kissed while taking the inaugural oath is II Chronicles 1:10. "Give me now wisdom and knowledge, that I may go out and come in before this people: For who can judge this, thy people that is so great?"

Mrs. Hoffman writes to the Union Signal of Oregon: "My whole tour in the state was managed by Mrs. Henrietta Brown, of Albany, supt. of lecture bureau. If there is a woman in the whole United States who can plan and carry out tours for lecturers better than Mrs. Brown I should like to hear her name and make her acquaintance. Our train winds in and out. Mt. Shasta lifts its white head to the clouds, first on one side of the train and then on the other, dazzling in its perpetual dress of white. Lower mountains girdle us round, touched here and there by frost and snow, while in at the window comes the friendliest breeze with just the touch of coolness which gives invigoration. Surely there is no land like this, 'our ain country.'" En— route to Redding, Cal., Feb. 25 1897.
