

W. C. T. U. Gleams.

And I saw the dead small and great stand before God . . . and the dead were judged according to their works.—Rev. 20:12.

“Place a womanly woman where'er you will
And she's a womanly woman still.”

What? Will a man's body never completely recover from early dissipation in this world? Never! How about the world to come? Perhaps God will fix it up in the resurrection body so that it will not go limping through all eternity. Let a flock of sins settle on your liver before you get to twenty-five years of age, and they will in all probability keep possession of it by an infernal sovereignty.—Talmage.
