FRIDAY, APRIL 4, 1800.

WE must commend the Union party in their actions in this county. They propose endorsing the best men on the tickets of either the republican or democratic tickets.

THE prosperity of our town de mands better school facilities. Ramember that this year is as good as next for voting a new school building. We have over \$12,000 worth of churches; let us keep pace with our school houses.

THE editor of the WEST SIDE is often tempted to follow the lead of other papers in berating the lack of enterprise in certain quarters; but second thought always teaches us that the proper way to do is to us that the proper way to do is to "grin and bear it." Mossbackism is a vegetable growth. Throw "cold water" on it and you will see that it only freshens up and still grows. Just put a few rustling men in a town, rubbing up against mossbacks and sooner than you expect you kill the germs. Mossbackism objects to "push and energy" and "push and energy" are their death

THE legistature of the new state of Washington has at last adjourned. The legislature has been in legislative expenses take \$140,000; districts is made. It is said that many members of the house which refused to pass this bill now regret their action, and it is possible that if it were brought up again it would
