OFFER A

\$6.00 BOOK FREE TO YOU!

It affords us pleasure to announce to the people that we are about to give them a great benefit. Notwithstanding we have always been known as the most enterprising merchants in this section, and that we have sold the best goods in nearly every case lower than others, we believe it is right to do the best we can by our patrons, thereby securing not only the largest amount of trade but also the greatest number of friends.

We want everybody to understand that we are not trying to see how few goods we can give for a dollar, but how many.

As cash purchases are made at our store a card will be punched and when purchases to the amount called for by the card have been made, we will give you \$6.00 in the form of this magnificent book, entitled: "Webster's Encyclopedia of Useful Information and World's Atlas," a brief description of which can be found on the back of the card.

We cannot, in such limited space, give a complete description

of the book, for it must be seen to be appreciated. Suffice it to say that such an offer has never before been made in this community. The book measures 10 x 12 1/2 inches, is 2 1/2 inches thick and occupies a space of 312 cubic inches—being Royal Octavo in size, containing 566 pages, 188 fine illustrations and 50 finely engraved maps, all prepared expressly for this book. It is printed from large new type, on good paper, and is handsomely and durably bound in morocco cloth.

Every volume is worth \$6.00 to any person or any family, and is really a household necessity. Notwithstanding the fact that we have the reputation of selling goods cheaper than anyone else, our prices will still be as low, if not lower than ever before.

We will be amply repaid for the great expense we will have by selling to our regular customers, and of enjoying the trade of scores of new ones.

In order to get the right to distribute these valuable books, we were obliged to order enough to supply one to every family for miles around. Visit us at once, examine our stock and prices as we have become convinced you can do better with us than where you are now trading, if not buying your goods at our store.
