Shelley & Vanduyn,

DESIRE to inform the public that they are still on deck at the old PIONEER CORNER that has an unbroken record of TWENTY-FOUR YEARS.

While many changes have been wrought during all these years, not only in our City, but among their patrons, as well as upon the methods of business, yet with an unswerving policy long years ago established of keeping GOOD GOODS, giving GOOD VALUES and always extending to its patrons, kind and courteous treatment, it has ever occupied a front seat among the Valley Stores, and to-day is a leading factor in the Commercial Circles of Polk County. And while its present Managers,
