The deadh shoals of tight's disease and diabetes will wreck the bodly bark of health if it is allowed to drift idderless upon them. The bladder, too, if mettive, and judicious mediaction does not seedily direct the helm toward the port of felty, will be whelmed by the quicksand of sease. In selecting a diaretic, let your olde fail upon Hostetter's Stomach Bitters, then simulates the remai organs without right of the proposition of the season which stimulates the renal organs without irritating and exciting them, two effects to be apprehended from the unmedicated stimuli largely resorted to. These have a tendency to react prejudicially. The Bitters invigorate the kidneys and bladder, in common with the nerves and the digestive organs, and as afford least aid, it also affords dual assistance in preventing and curing intermittent and remittent fiver. Billiousness, constipation and rheumatism it alone subjugates.
