HOW CAN WE DO IT?

We've been asked that question a hundred times lately by people who bought goods at our counter; goods they were used to paying double the money for. But do not waste your wonder; we got the goods honestly - paid good money for them - and they are ours to throw away, give away, or sell - away under regular prices. We choose to do the last.

You owe it to yourselves to come around and "stock up" at these unheard-of prices.
