ical stripe speak derisively of Dem-children. There is no freedom of ocratic and Peoples party papers contract for the pale-faced girl of which "hold the mirror" up to the "Song of the Shirt," This is Nature, as "calamity howlers." But the result of the uncontrolled labor the Inter-Ocean, a Republican pa market. The employer, intent on per of the conservative sort, has the gain, seeks the cheapest offer hardthood to state: "There are 3,000 of labor. He invites competition people in Chicago on the verge of among laborers that the offer be starvation; men, women, and babies, still lower. Foreign labor is old age and helpless childhood. brought in to cheapen the home They want money, and a scheme article. Women article that does not offer this necessity is for men without regard to health the loan that does not offer this necessity is They want money, and a scheme article. Women are substituted shark and the pawn broker."

CHARLES FRANCIS ADAMS, though inclined to be a Republican generwill vote next fall for Mr. Cleveland. There are men in the country whose opinion might be more valuable, but the reasons he gives are mostly sound and strong ones. Briefly summarized, he will leave the Republican party because he is alarmed wants an honest man with an hon- falls upon him whether from misfor-

THE "PROTECTED" SHEEP. In his latest report Uncle Jeremiah Rusk has much to say of mushrooms and toadstools; and he is quite eloquent over the subject of joyed? Let us unhesitatingly an party not only cut this "beastly 80, flower. There are two species, Berberis making it rain by shooting off the swer-in freedom's land, America. 000 majority," as it is facetiously aquifolium and Berberis nervosa. The

we have in the country, and the price of wool under the McKinley bill, his silence is discreet and deep. As Uncle Rusk is no more inclined to talk about sheep than McKinley, we are obliged to go back to the re-

ports of his predecessors for information of the deadly effects of Republicanism on sheep in Ohio and Iowa. By examining the statistics of the Department of Agriculture from the administration of Andrew Johnson until the year of Harrison's election, we find that under Johnson, in 1867, Ohio had 7,159,-177 sheep, while in 1888 it had only 4,065,556. In 1867 Iowa had these twenty-one years of high-tariff tures at home and abroad; it has from one of the departments, altaxation on wool and woolens, Ohio depleted the returns of American lost 3,093,62 sheep, and Iowa lost agriculture, an industry followed tently and creditably. The Blaines 1,857,728. Uncle Rusk withholds by half our people; it costs the are all gone, or going, out of official the figures of losses under the Har- people five times more than it pro- life. The Harrisons will go next rison administration and the McKinley bill, but as the price of

Weaver and Field are suggestive of Ohio wool has been lowered by the increased use of cotton and shoddy, no one will be likely to conclude under what the Republicans call revenue." THE official majority of Geo. E. "Democratic free trade," medium Chamberlain over Judge Webster American wool sold for 59 cents; for attorney-general of Oregon is 430 while recently, under the McKinley bill, Boston prices were 29 cents for When the present stock is ex-Ohio X, 30 to 31 cents for X X and hausted, as it soon will be, we will

This shows what the substitute of very coarse wools and cotton book that is recognized as the only THE Oregon School Journal has and shoddy under high taxes does been purchased by I. G. Knotte, for wool prices. As the tariff has and will be hereafter published at been made lighter and higher, the number of sheep in Ohio, Illinois, Indiana, and other states, has steadily decreased, while the people of these states pay for imitation Free," on the upper left-hand corwoolen garments of coarse wools ner, and "Tom L. Johnson, M. C.," mixed with shoddy, a higher price on the upper right-hand corner, than they would have to pay for SIXTY editors were recently in a the best all-wool goods under a WEST SIDE Company sent you. smash-up on the C. B. & Q. railroad Democratic tariff. Let the voters and not one of them was hurt. It is of Oregon ponder over these facts, said that each one of them turned consult all statistics for half a century, and they will find that wool business to secure good wages, and has always brought a better price at once the Oregonian is up in arms

BLAINE'S IAGO.

The Republican party, in convening the strongest man they had for the truth,) time after time that president, committed political suiday with a record as a persistent loss amounts on an average to sixty THE difference between a revenue enemy of organized labor. He is per cent of the value of the artic tariff and a protective tariff is this: aristocratic and un-American in A revenue tariff is a tax collected his ideas. In the campaign of for the views enunciated by our from consumers for the SUPPORT OF Blaine vs. Cleveland he pretended many correspondents. They hold THE GOVERNMENT ONLY; a protect to be a warm friend and supporter many opinions to which we do not ive tariff is a tax collected from the of Blaine, but he would not do one subscribe; yet we thoroughly beconsumer for the support and en thing necessary to Blaine's election, lieve in a free press as well as free namely, to unionize his newspaper, trade, and all persons have a right the New York Tribune. Now this to be heard, under the usual re-Ir is announced that Whitelaw enemy of united labor, this false Reid will take no part in the cam- friend, Blaine's Iago if not his ties. The WEST SIDE has always paign.
