WHY GO SO FAR TO GAIN SO LITTLE

Harris Fuller writes from Carrollton,

of the republican party.

use of silver, and the free coinage there- ing tools in the ir hands. of into legal tender money for debtpaying purposes, and Mr. Cieveland | Enwis T Haren, a former resident

of a certain fineness. It is always better to look out for the a failure, performance of the new school master, than to waste one's eyes in looking at the retreating form of the old one.

Meanwhile no help will come to the ax-paying people of this country till ere shall be a new party which will get right down to work and elect a congress that will make laws for the prospeculative element.

to elect a president, who would have Because they do not work in unity. no influence whatever in making the laws, is not good policy.

The laws are made by congre-

When they go there to speculate in recording deeds to a minimum their votes and power as congressmen, the people are apt to suffer.

suance of \$100,000,000 of full legal tender about pay salaries. money thus created as a compensation Isthmus of Panama!

The Isthmus of Panama beninety per cent.of whom are in debt. a good law.

The government would do better to at once create \$100,000,000 of absolute per oney thus paid to them used to make first-class roads from one county seat to another; erect postoffice buildings in each county seat, and materialize other improvements, the building of which Pennoyer, and passed over his veto. will employ labor and give to the people something substantial for debt-paywhich they will gladly perform.

Here is a practical way to use some 900 jute mill. power of the government.

By this course the volume of debtmost beneficially increased.

A million of able-bodied men now looking for work, and finding it not, could then market their strength and ability to labor with those who would engage to materialize the improvements | West Side Gives a Silk Plug Hat called for under contracts.

This \$100,000,000 thus created should be expended in all the different states and territories. The result would be as follows:

An increase in the volume of legal tender money, which should be of paper. There is No Limit to the Number of Votes that it might remain in this country for debt-paying purposes, unless some outside government should declare it legal tender money in the other counpurchase it from those having the same lar lady, with a popular bachelor conin this country.

they deserve.

The employment of labor that is now No limit to the number of votes you in doubt, dread, and disaster, and there- tust. fore of no fall, complete use to the community where it resides. The result of your subscription to date. this creation and use of such issue of livery week the votes will be anto every person in this country who of February 3, 10, 17, and 24, 1893 will has labor, or the products of the mill cont in coupons, and the issue of warch or the shop to sell. The only person 3 will contain the name of the winner, who upon the misfortune of others, In at the last of the month. whose occupation is money lending, who loan money on mortgages, giving | the least amount of money for the largest amount of mortgage, and then MOST POPULAR BACHELOR property of the unfortunate debtor, who, relying on one or the other of the old parties to protect him, is stendily coming to grief.-Pomeroy's Advance Thought.

MARK our words, readers of the WEST SIDE, there are better times coming for Independence and vicinity. The town has seen its very worst days. Winter will soon be past, and the people who are spending no money now will begin to expend it. Our people will take counted that are not signed by persons fresh courage when they see business begin to revive, and will push for more trade. The mortgage tax law has been have their coupon voted by some one repealed, and soon millious of dollars who has paid in advance. will be ready to be loaned at six and eight per cent. Population will begin to increase in Oregon as our resources are to be developed. The man who can see ahead and take advantage of the situation is the one who is going to reap a rich reward.

EVERY newspaper in this state ing the past week, and the present dullwhich favored the repeal of the mort- ness is something unusual for this sengage tax law, should be ready to see, in their own county at least, that the presstocks are being carried throughout the ent law, which is a very good one, be valley, as well as in Eastern Oregon Maps, plats, and books some trading was done in the valley
