Pork is deciared to be unwhole e by coemies of the hog, and reasons Moses prescribed at to the Israelites, but e who consume great quantities of it are shown by statistics be longer lived than any other tion, which tact is attributable their abstemious babits and eir remarkable freedom from athisis, pulmonary consumption, use they consume little of the alous meat, butter and milk of the bovine species.

The meek and lowly Chinams who can't thing of some trick by which to evade the exclusion laws, nust be dead. How quickly they nght on to the idea that the eary which haw required the ent of every mongul not gistered, wiuld open prison nors to every Chinese convict, cost him out of the country on is way to his native land. Un fortunately for the scheme, how-ever, the law headed it dead off at that particular point.

Aledo Record: Some newspaper en are terrible prevarientors. One of them writes about a cyclone, stating that it turned wrong side up in the state of Mississippi, turn-ed a cellar up side down in Wis esin, moved a township line in obrasks blew all the staves out of a whisky barrel in Iowa and left othing but the bung hole, changed be day of the week in Ohio, killed a honest Indian agent in the west, lew the hair off a hald-headed an in Texas, killed a truthful lawyer in Illinois, blew the mortage off a farm in Kassas, scared a red-headed woman in Michigan, blew all the cracks out of a fence in Da-kota, and took all the wind out of a politician in Missouri.

On May 1st the government will sue 40,000 souvenir quarter dollars r the board of lady managers of the World's fair. Une special featare of the new coin is that it is the ned by the government to bear the portrait of a woman. Other coins bear idealized represenns of the fair sex, but this is e first to be honored by an auth tic reproduction of a particular woman's face. The full design has ot yet been announced, but the overse side is to bear the portrait of Queen Isabella of Spain. This coin is intended by the government to commemorate two important - the aid given by Queen bells to Columbus which es him to make the voyage of d , ery to America; and the first

al provision made by the United States government for the adequate participation of women in an enterprise of world-wide import-
