Completely Upset!

How many remedies there are which merely relieve without rooting disease. The contrast with sterling medicines which the puritans afford, not only preserves the dignity of the former, but serves to establish the fact of employing in every measure when thorough cures are attainable. A marked instance of this is the effect, on one hand, of Hustler's Stomach Bitters in cases of colds and fevers and various remedies, and on the other of ordinary remedies in instances of dyspepsia. By the latter, medical compound in every stage, and of the most malignant type, we completely conquer and lose hold upon the system. They rarely, if ever, dislodged by ordinary resources of medicine, so that their symptoms may unquestionably be mitigated through such means. The same holds good of indigestion, biliousness, kidney complaint, rheumatism, nervousness and debility. By the Bitters they are cured when many remedies fail.

The public demand through service when travelling. It is old-fashioned to change cars. On the through solid vestibuled trains of the Chicago, Union Pacific and Northwestern line, from or to Chicago, Omaha and intermediate points, there is no change. This is the fine and fastest road.

Out of Sight.

The traveling public are now fully alive to the fact that the Chicago, Union Pacific & Northwestern Line offers the very best accommodations to the public from and to Chicago, Omaha and intermediate points, not only during the World's fair, but all the year around.
