While it heald that amount, distrust, Townsend said that in an average though it had its influence and was third of our life in sleep, one third not directly and obviously affectorin growing up to manhood, and on dinary transactions. When, in the ly twenty years remain in which to downward course of the gold reserve do our duty towards God and man, the limit of \$100,000,000 was reachand how important that those years ed and passed, everybody felt that

written to the editor of this paper in answer to our inquiry about procedings of the 53d Congress as printed daily in the Congressional Record: panic, and proved so obstinate that "Any of your friends can obtain the Record for the whole of the present it, trade has been rendered very diffisession by forwarding a money order cult, and in some directions has been for \$4.00 to Hon. F. W. Palmer, public printer, Washington D. C." The WEST SIDE is in receipt of the Con. of silver be stopped, if the issue of and our friends are welcome to call cause of distrust is removed. Reagressional Record every week and inspect it.

THE San Francisco Call is au one instinctively clings to when thority for the fact that a bill is to credit is restricted, money will be be introduced in congress asking released, activity will be resumed, for an appropriation of one hun- and sound business will again bedred million dollars with which to come safe and prosperous. These purchase British Columbia. The are the plain facts which make the money is to be paid in ten install- repeal as the act of 1800 imperitive. ments of ten millions a year, with -New fork Times. put interest. Considering that Alaska cost us \$7,200,000 and British Columbia is much smaller, the price seems to be a very liberal one. It is probably only a visionary scheme of someones.

Now that a Mid winter fair is to in giving these figures is to throw be held in California our people are some light on how vastly improved making preparations to spend a few our financial system is now on what weeks there. It would be a pleasant it was then: time of the year in California. July 1, 1860. The mid-winter fair has established a department of publicity and promotion. The fair will be held from Jan. 1st to June 30th and the site will cover a hundred acres. There July 1, 1862. will be five principal buildings, as follows: manufactures' and liberal arts, agricultural and horticultural, mechanical arts, fine arts and decorative art, and administrative July 1, 1864. building.

BRO. DOUGHTY of the Observer, July 1, 1865. No specie. National bank notes increased to \$146,137,860 commenting on our allusion to the Oregonian railway running only July 1, 1866. No specie. National three trains a week, says: "We live in a buoyant hope that ere our national bank note circulation long, as the times change to have reached July 1, 1875, \$354,408,008. our 'broad gauge' the main thor July 1, 1876. Subsidiary silver appears amounting to \$27,418,785 oughfare for all the west side business to the metropolis and New port-Seef"

That word "change" is what and business has been "going In 1881, gold coin, through" ever since. For good-ness sake brother Doughty do coin National bank notes, some new word in giving exp es sion to your thoughts in the tuture.

HERE is a country full of all kinds of resources, yet a country in which business is paralyzed, truthfully says the Oregonian. Within a short time we have passed from a state of prosperous activity to a state of de Four years later July 1, 1891, gold: pression without a parallel in memory of this generation. So remark able a change could have come about only through the fault of our people themselves. We have destroyed credit, the basis of activity and prosperity, the mainspring of a progressive civilzation. We have destroyed it by two methods. First, we have tal countries in free competition \$328,742,035,in 1882, to 67,927,9 tion with our own. These acts have 74 in 1891. given to our business the severest shock it has known these forty year. The only way to avert rnin is to re menace of free trade.

Secretary Herbert talked briefly at Chicago on the one question of aborbing interest at the present time, the financial situation and the legisation it requires. He said: "A lack of confidence in American securi-ies, both on the part of European and home inventors, has caused the

cont financial panie, for which came shaken and in 1893, we find a prestration of business, and our he SHERMAN act is directly relaw, as I hope it will, the worst will be over." It is well to bear in mine the way in which the SHERMAN law law undoubtedly has somethig to do acts to produce a lack of confidence. It provides for constant issue, at a fixed rate, of legal-tender notes for the purchase of silver. These notes, Advertising is to business what steam together with the outstanditg Unigal tender currency of the country issued by the Government. They sudden prostration in business? ing in silver dollars. It is perfect-

able to pay notes in gold. . The knowlege of this fact has caused notes increased and the gold fell off. For fourteen years the governlife of sixty years, we spend one increasing, was not acute, and did there was no certanty how low the SENATOR JOHN MITCHELL, has reserve would go nor how soon gold payments would become impossible. Then the lack of confidence became intensified, took the form almost of the whole country has suffered from

report of the secretary of the treas-1st, 1860 to July 1, 1891. Our object

1, 1860. Specie, \$235,000,000 State bank notes, 207,102,407 Circulation per capita, \$13.85. Phood's Pills cure consupation. Try a Boz. 1, 1861. Specie, 250,000,000 State bank notes, 202,005,766 Circulation per capita, \$13.08.

1, 1863. Specie, Same as above Currency of all kinds, \$649,867,283 Circulation per capita, \$17.84 1, 1864. No specie. Currency, 680,588,007, including \$31,235,270, National bank notes Circulation per capita, \$19.67.

For ten years this continued until

THEY say figures will not lie, so

ury of the United States from July

uly 1, 1862. Specie, not a dollar excepting \$25,000,000 on Pacific coast Circulation per capita, \$10.23 in paper

July 1, 1863.

In 1878, no gold coin is reported, but standard silver dollars and sub-idiary silver amounts to \$77,047,907.

In 1879, gold coin appears amount gives us a cold shiver, We heard jug to \$154,741,837; sliver, \$111,526,341. about a "change" last November In 1880 gold coin amounted to \$351,

358,742,034 Circulation per capita, \$22.37, Five years later, in 1887, gold:

Standard silver dollars, 277,445 76 145,543,150

Total, \$2,195,224,078

From the above it will be seen pursued a policy that threatens to that July 1st 1891, there was more substitute an inferior money for the gold and more silver in circulation standard money of the world: and than ever before, and although our second, we have voted to set aside population in 1860 was only 31,443, the policy through which the indus- 321, the per capita circulation was try of our country, has been pro- only \$13.85, while in 1800 tected and developed during thirty with population estimated at 63, About Aug. 25th, years, and to permit the introduc- 974,000 the per capita was \$23.41. It tion of the products of the industry will also be noted that the national of all cheap-labor and cheap-capi- bank circulation had declined from Merrill Hop Yards,

SECRETARY HERBERT ON ey on hand. History teaches that to have been true

Second—That in 1882, the na-

tional banks had \$190,815,060, more otes in circulation than in 1891. Third—That the circulation per Any capita in 1891 was nearly twice

what it was in 1860. In spite of a civil war, our country as been prosperous for thirty two rears. All at once, commencing Nov. 1892, public confidence be untional credit at home and abroad shaken. While the Sherman silver with it, can we lay all the blame theref The readers of the WESL Something SIDE are asked to study these state nents and form their own opinions If it is not the distrust in the politics of the party which has recently come Call on J. M. VANDUYN in power, please explain why this

Less than a year ago money was olentiful' and business was prosper ous. How is it now! Be honest and say where the fault lies.

GOVERNOR PENNOYER wants to convene the Oregon legislature in (Successors to WALKER EROS.) pecial session in order to pass a tay of execution law. In an interview, Senator Jeff Myers, of Linn Co., said: "If the gislature would repeal the law apprepriating money for the jute mill, the soldier's home and some other unnecessary appropriations, and the assessment law that has raised Cain with the schools an extra session might do good. The expense would not count as a gainst the great benefit that would accrue. I would be uncompromisingly against employing committee clerks or other ornamen tal and expensive features of an ordikeep the expense down to a reasonable figure. No we can't trust the legislators of Oregon to meet in special session. As far as a stay law is concerned it would do more harm We Buy all Kinds of Poultry than good. Creditors are not pressing debtors, and will not unless Congress fails to relieve the situation.

"I had Typhold Fever Which left me with torpid liver and kidner trouble. I was a great sufferes I took a bottle of Hood's Sarsapartila and was restored Hood's "Cures
