Swinging Around The Circle.

One of the diseases to which it is adapted with the best results, Hostetter's Stomach Bitters, a family medicine, comprehensive in its scope, has never been thrust upon public attention in the guise of a universal panacea for bodily ills. This claim, daily arrogated in the columns of the daily press by the proprietors of medicines far inferior to it as specifics, has in a thousand instances disgusted the public in advance of its absurdity, and the prospects of other remedies of superior qualities have been handicapped by the pretensions of their worthless predecessors. But the American people know, because they have verified the fact by the most trying tests, that the Bitters possesses the virtues of a real specific in cases of malaria and liver disorder, constipation nervous, rheumatic, stomach kidney trouble. What it does it does thoroughly, for this reason it is indorsed and recommended by hosts of respectable medical men.

"In a literary and artistic sense, THE COSMOPOLITAN is one of the most perfect productions of its kind published on either side of the Atlantic; says the Irish Times, of Dublin. Extending over 128 pages of beautifully printed and illustrated matter, every single item of which will be perused and studied with interest, the magazine must be regarded as perfectly unique, and one wonders how so magnificent a work can be produced at a cost of twenty-five cents, or a shilling.
